29A.05.900 Construction—2017 c 1 (Initiative Measure No. 735).

29A.05.010 Short title—2017 c 1 (Initiative Measure No. 735). Chapter 1, Laws of 2017 is known and may be cited as the "government of, by, and for the people act." [2017 c 1 § 9 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.020 Intent. Chapter 1, Laws of 2017 declares that the people of Washington state support amending the Constitution of the United States to eliminate the undue influence of concentrated money and political power on elections and governmental policy. The amendment would overturn decisions by the supreme court of the United States extending constitutional rights to corporations and other artificial legal entities as well as those decisions equating the spending of money with free speech. It also provides for the regulation and disclosure of political contributions and spending. [2017 c 1 § 1 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.030 Findings. (1) Free and fair elections, as well as honest representation, are essential to self-determination and self-governance as described in the Declaration of Independence and established in the Constitution of the United States.

(2) The American people have lost faith in the political process because their voices are not heard and their interests are not represented. Thus, an ever smaller percentage of Americans is motivated to vote.

(3) The U.S. Constitution makes no mention of corporations or other artificial entities; there are no provisions extending rights to such entities. However, through a series of decisions equating a "corporation" with a "person," the U.S. supreme court extended to corporations the constitutional rights and protections intended for people only.

(4) Unlike human beings, corporations can exist in perpetuity and in many countries at the same time. As a result many large corporations, both foreign and domestic, invest in campaigns to invalidate or bypass regulatory law intended to protect the public. Thus, corporate participation in the political process often conflicts with the public interest.

(5) Money is property; it is not speech. Nowhere in the U.S. Constitution is money equated with speech. Because advertising is limited and costly, equating the spending of money with free speech gives those with the most money the most speech.

(6) Whenever special interests, including very wealthy individuals, are able to spend unlimited amounts of money on political speech, candidates and officeholders can be corrupted and intimidated, and the free speech of most citizens is

drowned out and denied. Monopolizing public speech neither promotes nor protects free speech.

(7) Anonymous contributions and spending for political gain promote dishonesty and corruption, preventing voters from assessing the motives of the speaker. The public must be able to hold funders of political speech accountable when their messages prove false or misleading. Full and prompt disclosure of funding sources is essential to an informed electorate, fair elections, and effective governance.

(8) Article V of the U.S. Constitution empowers the people and the states to use the amendment process to correct egregious decisions by the U.S. supreme court that subvert our representative government. [2017 c 1 § 2 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.040 Joint resolution for amendment to United States Constitution. The voters of the state of Washington urge immediate action by the current and future Washington state congressional delegations to propose a joint resolution for an amendment to the Constitution of the United States clarifying that:

(1) The rights listed and acknowledged in the Constitution of the United States are the rights of individual human beings only.

(2) The judiciary shall not construe the spending of money to be free speech under the First Amendment of the Constitution of the United States. Federal, state, and local governments shall be fully empowered to regulate political contributions and expenditures to ensure that no person or artificial legal entity gains undue influence over government and the political process.

(3) All political contributions and expenditures shall be disclosed promptly and in a manner accessible to voters prior to elections.

(4) Chapter 1, Laws of 2017 does not limit the people's rights to freedom of speech, freedom of the press, free exercise of religion, or freedom of association. [2017 c 1 § 3 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.050 Recommendation to congress. In accordance with the U.S. Constitution, the voters of the state of Washington urge the Washington state congressional delegation, and the U.S. congress generally, to include an amendment ratification method which will best ensure that the people are heard and represented during the ratification process. [2017 c 1 § 4 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.060 Recommendation to state legislature. The voters of the state of Washington urge our current and future Washington state legislatures to ratify such an amendment when passed by congress and delivered to the states for ratification. [2017 c 1 § 5 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.070 Secretary of state to deliver copies. The Washington secretary of state is authorized and directed to immediately deliver copies of this initiative, when enacted, to the following persons: The governor of the state of Washington, all current members of the Washington state legislature, all current members of the United States congress, and the

(2020 Ed.)

president of the United States. [2017 c 1 § 6 (Initiative Measure No. 735, approved November 8, 2016).]

29A.05.900 Construction—2017 c 1 (Initiative Measure No. 735). The provisions of chapter 1, Laws of 2017 are to be liberally construed to effectuate the intent, policies, and purposes of chapter 1, Laws of 2017. [2017 c 1 § 7 (Initiative Measure No. 735, approved November 8, 2016).]

A residential address may be either a traditional address or a nontraditional address. A traditional address consists of a street number and name, optional apartment number or unit number, and city or town, as assigned by a local government, which serves to identify the parcel or building of residence and the unit if a multiunit residence. A nontraditional address consists of a narrative description of the location of the voter's residence, and may be used when a traditional address has not been assigned or affixed to the voter's residence or when a voter resides on an Indian reservation or Indian lands, pursuant to the conditions in RCW 29A.08.112.

29A.08.170 Registration at age sixteen and seventeen. (Effective until January 1, 2022.) (1) A person may sign up to register to vote if he or she is sixteen or seventeen years of age, as part of the future voter program.

(2) A person who signs up to register to vote may not vote until reaching eighteen years of age, and his or her name may not be added to the statewide voter registration database list of voters until such time as he or she will be eighteen years of age by the next election. [2018 c 109 § 5.]

Findings—Intent—2018 c 109: "The legislature is committed to granting equal access to voter registration for all voters. The legislature recognizes the importance of fostering lifelong civic participation. Currently, many young people are denied access to the most popular form of voter registration, motor voter. If a young person obtains a driver's license at the age of sixteen or seventeen, they may not register to vote. Denial of motor voter to so many young voters has contributed to lower voter registration levels in the youngest voter age groups. In Washington, according to 2016 United States census bureau statistics, only twenty-one percent of eligible citizens between the ages of eighteen and twenty-four are registered to vote. Studies show that young adults who vote are likely to continue to do so throughout adulthood. The legislature recognizes that these representational disparities in registration rates and voting rates within the youth electorate will improve by enacting election policies that engage all young citizens. Therefore, the legislature declares that this act, allowing eligible youth at least sixteen years of age to preregister to vote, is intended to increase voter turnout in young adults." Short title—2020 c 208: "This act may be known and cited as the voting opportunities through education act or the VOTE act." [2020 c 208 § 1.]

Findings—2020 c 208: "The legislature finds that robust participation by young voters in Washington state elections is critical to ensuring lifelong civic engagement. Research has shown that voting is a habitual behavior and that people who vote in the first three elections when they are eligible will likely vote for life. However, this is also the period of time when they are likely to face unique barriers to participate in the democratic process, including regularly changing their address, becoming eligible shortly after an election, and exclusion from certain voter registration policies.

The legislature also finds that the period prior to election day is the most critical time to ensure ballot access for young voters. States with early voting have higher participation rates than states that do not and the use of early voting sites on college campuses helped produce record levels of participation for young voters in 2016 and 2018.

The legislature finds that students that have more opportunities to be registered and vote are more likely to participate. Limiting statutory voter registration opportunities on college campuses to days well in advance of

election day is inconsistent with implementation of same-day voter registration. Making automatic voter registration unavailable to those registering for the first time denies young voters the same benefits as every other voter." [2020 c 208 § 2.]

29A.12.085 Paper record. Beginning on January 1, 2006, all direct recording electronic voting devices must produce a paper record of each vote that may be accepted or rejected by the voter before finalizing his or her vote. This record may not be removed from the voting center, and must be human readable without an interface and machine readable for counting purposes. If the device is programmed to display the ballot in multiple languages, the paper record produced must be printed in the language used by the voter. Rejected records must either be destroyed or marked in order to clearly identify the record as rejected. Paper records produced by direct recording electronic voting devices are subject to all the requirements of chapter 29A.60 RCW for ballot handling, preservation, reconciliation, transit, and storage. (2) Ignores votes marked for any office or issue where more than the allowable number of votes have been marked, but correctly counts the properly voted portions of the ballot;

(3) Accumulates a count of the specific number of ballots tallied for each precinct, total votes by candidate for each office, and total votes for and against each issue of the ballot in that precinct;

(4) Produces precinct and cumulative totals in printed form; and

(5) Except for functions or capabilities unique to this state, has been tested and certified by an independent testing authority designated by the United States election assistance commission. [2006 c 207 § 3; 2004 c 271 § 109.]

The test shall verify the capability of the vote tallying system to perform all of the

(a) The breach has, or is reasonably likely to have, compromised the security, confidentiality, or integrity of an election in any state; or

(b) Personal information of residents in any state was, or is reasonably believed to have been, acquired by an unauthorized person as a result of the breach and the personal information was not secured. For purposes of this subsection, "personal information" has the meaning given in RCW 19.255.010.

(2) To the extent possible, the secretary of state must identify whether the source of a security breach, if any, is a foreign entity, domestic entity, or both.

(3) By December 31st of each year, the secretary of state must submit a report to the governor, state chief information officer, Washington state fusion center, and the chairs and ranking members of the appropriate legislative committees from the senate and house of representatives that includes information on any instances of security breaches identified under subsection (1) of this section and options to increase

29A.16.040 Precincts—Boundaries may be altered.

The county legislative authority of each county in the state shall divide the county into election precincts and establish the boundaries of the precincts.

(1) Precinct boundaries may be altered at any time as long as sufficient time exists prior to a given election for the necessary procedural steps to be honored. Except as permitted under subsection (3) of this section, no precinct changes may be made during the period starting fourteen days prior to the first day for candidates to file for the primary election and ending with the day of the general election.

(2) The county legislative authority may establish by ordinance a limitation on the maximum number of active registered voters in each precinct within its jurisdiction. The number may be less than the number established by law, but in no case may the number exceed one thousand five hundred active registered voters.

(3) The county auditor shall temporarily adjust precinct boundaries when a city or town annexes unincorporated territory to the city or town, or whenever unincorporated territory is incorporated as a city or town. The adjustment must be made as soon as possible after the approval of the annexation or incorporation. The temporary adjustment must be limited to the minimum changes necessary to accommodate the addition of the territory to the city or town, or to establish the eligible voters within the boundaries of the new city or town, and remains in effect only until precinct boundary modifications reflecting the annexation or incorporation are adopted by the county legislative authority. 29A.16.050 Precincts—Restrictions on precinct boundaries—Designated by number. (1) Every voting precinct must be wholly within a single congressional district, a single legislative district, a single district of a county legislative authority, and, if applicable, a single city.

(2) Every voting precinct shall be composed, as nearly as practicable, of contiguous and compact areas.

(3) Except as provided in this subsection, changes to the boundaries of any precinct shall follow visible, physical features delineated on the most current maps provided by the United States census bureau. A change need not follow such visible, physical features if (a) it is necessitated by an annexation or incorporation and the proposed precinct boundary is identical to an exterior boundary of the annexed or incorporated area which does not follow a visible, physical feature; or (b) doing so would substantially impair election administration in the involved area.

(4) After a change to precinct boundaries is adopted by the county legislative authority, if the change does not follow visible physical features, the county auditor shall send to the secretary of state an electronic or paper copy of the description, a map or maps of the changes, and a statement of the applicable exception under subsection (3) of this section. For boundary changes made pursuant to subsection (3)(b) of this section, the auditor shall include a statement of the reasons why following visible, physical features would have substantially impaired election administration.

(5) Every voting precinct within each county shall be designated by number for the purpose of preparation of maps and the tabulation of population for apportionment purposes. These precincts may be identified with names or other numbers for other election purposes.

(6) After a change to precinct boundaries in a city or town, the county auditor shall send one copy of the map or maps delineating the new precinct boundaries within that city or town to the city or town clerk.

(7) Precinct maps are public records and shall be available for inspection by the public during normal office hours in the offices where they are kept. Copies shall be made available to the public for a fee necessary to cover the cost of reproduction. [2003 c 111 § 405; 1999 c 298 § 1; 1989 c 278 § 1; 1977 ex.s. c 128 § 2; 1965 c 9 § 29.04.050. 29A.16.070 Precincts—Boundary changes—Registration transfer. If the boundaries of any city, township, or rural precinct are changed in the manner provided by law, the county auditor shall update the registration records of every registered voter whose place of residence is affected thereby. It shall not be necessary for any registered voter whose registration has been changed from one precinct to another, by a change of boundary, to apply to the county auditor for a transfer of registration. The county auditor shall mail a notice to each registered voter. [2013 c 11 § 78; 2003 c 111 § 1903; 1971 ex.s. c 202 § 27; 1965 c 9 § 29.10.060. Prior: 1933 c 1 § 17; RRS § 5114-17. 29A.24.010 Officials to designate position numbers, when—Effect. Not less than thirty days before the first day for filing declarations of candidacy under RCW 29A.24.050 for legislative, judicial, county, city, town, or district office, where more than one position with the same name, district number, or title will be voted upon at the succeeding election, the filing officer shall designate the positions to be filled by number.

The positions so designated shall be dealt with as separate offices for all election purposes. With the exception of the office of justice of the supreme court, the position numbers shall be assigned, whenever possible, to reflect the position numbers that were used to designate the same positions at the last full-term election for those offices. [2003 c 111 §

When both a short term and a full term for the same position are scheduled to be voted upon, or when a short term is created after the close of the filing period, a single declaration of candidacy accompanied by a single filing fee shall be construed as a filing for both the short term and the full term and the name of such candidate shall appear upon the ballot for the position sought with the designation "short term and full term." The candidate elected to both such terms shall be sworn into and assume office for the short term as soon as the election returns have been certified and shall again be sworn into office for the full term. 29A.24.311 Write-in voting—Candidates, declaration. (1) Any person who desires to be a write-in candidate shall file a declaration of candidacy with the officer designated in RCW 29A.24.070 not later than 8:00 p.m. on the day of the primary or election. A write-in declaration of candidacy is timely if filed by this deadline. No votes shall be counted for a write-in candidate who has not properly filed a write-in declaration of candidacy.

(2) Votes cast for write-in candidates who have filed such declarations of candidacy need only specify the name of the candidate in the appropriate location on the ballot in order to be counted.

(3) No person may file as a write-in candidate where:

(a) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the preceding primary or the person's name was printed on the ballot for the same office at the preceding primary;

(b) The person attempting to file as a write-in candidate has already filed a valid write-in declaration for that primary or election;

(c) The name of the person attempting to file is already printed on the ballot as a candidate for another office, unless the other office is precinct committee officer or a temporary elected position, such as charter review board member or freeholder;

(d) The office filed for is precinct committee officer.

(4) The declaration of candidacy shall be similar to that required by RCW 29A.24.031. No write-in candidate filing under this section may be included in any voter's pamphlet produced under chapter 29A.32 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29A.32 RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets. [2018 c 187 § 2; 2013 c 11 § 91; 2012 c 89 § 2; 2011 c 349 § 13; 2004 c 271 § 117.]

Intent—Finding—2012 c 89: "The United States district court, western district of Washington, ruled that Washington's method of electing political party precinct committee officers is unconstitutional based on the associational rights of political parties. The court stated that Washington may decide to implement elections for precinct committee officer in a manner not yet conceived but ultimately satisfactory to the political parties. Washington may even implement these elections in a way that severely burdens the political parties' associational rights but does so in a manner narrowly tailored to serve a compelling governmental interest. The major political parties stated in court that they might be satisfied of party membership if a voter affirms affiliation with the particular party. Toward this end, the legislature has worked closely with the major political parties to develop a system of electing precinct committee officers that the parties support, that will protect the secrecy of the ballot, and will not increase burdens placed on local election officials. Therefore, it is the intent of the legislature to remedy the unconstitutional method of selecting precinct committee officers by implementing a provision requiring voters to affirm an affiliation with the appropriate party in order to vote in a race for precinct committee officer in that party. The legislature finds that the office of precinct committee officer itself is both a constitutionally recognized and authorized office with certain duties outlined in state law and the state Constitution." [2012 c 89 § 1.]

Effective date—2012 c 89: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 29, 2012]." [2012 c 89 § 7.]

Effective date—2011 c 349: See note following RCW 29A.04.255.

29A.24.320 Write-in candidates—Notice to auditors, ballot counters. The secretary of state shall notify each county auditor of any declarations filed with the secretary under RCW 29A.24.311 for offices appearing on the ballot in that county. The county auditor shall ensure that those persons charged with counting the ballots for a primary or election are notified of all valid write-in candidates before the tabulation of those ballots. Such measures may include, among others, petitioning the superior court for a temporary restraining order or other appropriate injunctive relief. In addition, the secretary may request the superior court to impose a civil fine on a violator of this section. The court is authorized to levy on and recover from each violator a civil fine not to exceed the greater of: (1) Two dollars for each copy of the deceptive material distributed, or (2) one thousand dollars. In addition, the violator is liable for the state's legal expenses and other costs resulting from the violation. Any funds recovered under this section must be transmitted to the state treasurer for deposit in the general fund. [2003 c 111 § 802; 1984 c 41 § 1. Formerly RCW 29.04.035.]

Expiration date—2018 c 112 § 5: "Section 5 of this act expires January 1, 2019." [2018 c 112 § 7.]

Findings—Intent—2013 c 283: "(1) The legislature finds that the voters of the state of Washington have overwhelmingly affirmed the public's right to know about the financing of political activity. Recognizing that Initiative 276, which created the public disclosure commission and serves as the foundation of Washington's disclosure and campaign finance laws, was approved with over seventy-two percent of voters in support, the legislature also finds that maintaining the tradition of transparency in campaigns and political activities in the state of Washington is a top priority for citizens throughout Washington state.

(2) Therefore, it is the intent of the legislature to increase transparency and ensure that voters be provided easy access to accurate information about the sources of money supporting or opposing candidates and ballot measures by printing the public disclosure commission's web site on voters' pamphlets and ballots for each primary and general election." 29A.32.032 Party preference. The voters' pamphlet must also contain the political party preference or independent status where a candidate appearing on the ballot has expressed such a preference on his or her declaration of candidacy. [2005 c 2 § 11 (Initiative Measure No. 872, approved November 2, 2004).]

Short title—Intent—Contingent effective date—2005 c 2 (Initiative Measure No. 872): See notes following RCW 29A.52.112.

29A.32.040 Explanatory statements. (1) Explanatory statements prepared by the attorney general under RCW 29A.32.070 (3) and (4) must be written in clear and concise language, avoiding legal and technical terms when possible. Statements are initiated by written request from the secretary of state, and must be filed with the secretary of state by the date provided in the request.

(2) When the explanatory statements for a measure initiated by petition are filed with the secretary of state, the secretary of state shall immediately provide the text of the statements to the person proposing the measure and any others who have made written request for notification of the exact language of the statements. When the statements for a measure referred to the ballot by the legislature are filed with the secretary of state, the secretary of state shall immediately provide the text of the statements to the presiding officer of the senate, the presiding officer of the house of representatives, the prime sponsor, and any others who have made written request for notification of the exact language of the statements.

(3) A person dissatisfied with the statements may appeal to the superior court of Thurston county within five days of the filing date. A copy of the petition and a notice of the appeal must be served on the secretary of state and the attorney general. The court shall examine the measure, the statements, and objections, and may hear arguments. The court shall render its decision and certify to and file with the secretary of state a statement it determines will meet the requirements of this chapter, and within the timelines identified by the secretary of state.

The decision of the superior court is final, and its statement is the established explanatory statement. The appeal must be heard without costs to either party. [2015 c 171 § 1; 2009 c 415 § 3; 2003 c 111 § 804. Prior: 1999 c 260 § 3. Formerly RCW 29.81.230.]

29A.32.060 Arguments. Committees shall write and submit arguments advocating the approval or rejection of each statewide ballot issue and rebuttals of those arguments. The secretary of state, the presiding officer of the senate, and the presiding officer of the house of representatives shall appoint the initial two members of each committee. In making these committee appointments the secretary of state and presiding officers of the senate and house of representatives shall consider legislators, sponsors of initiatives and referendums, and other interested groups known to advocate or oppose the ballot measure. Committees must have the explanatory and fiscal impact statements available before preparing their arguments.

The initial two members may select up to four additional members, and the committee shall elect a chairperson. The remaining committee member or members may fill vacancies through appointment.

After the committee submits its initial argument statements to the secretary of state, the secretary of state shall transmit the statements to the opposite committee. The opposite committee may then prepare rebuttal arguments. Rebuttals may not interject new points.

The voters' pamphlet may contain only argument statements prepared according to this section. Arguments may contain graphs and charts supported by factual statistical data

and pictures or other illustrations. Cartoons or caricatures are not permitted. [2015 c 171 § 2; 2003 c 111 § 806. Prior: 1999 c 260 § 4. Formerly RCW 29.81.240.]

29A.32.070 Format, layout, contents. The secretary of state shall determine the format and layout of the voters' pamphlet published under RCW 29A.32.010. The secretary of state shall print the pamphlet in clear, readable type on a size, quality, and weight of paper that in the judgment of the secretary of state best serves the voters. The pamphlet must contain a table of contents. Measures and arguments must be printed in the order specified by RCW 29A.72.290.

The secretary of state's name may not appear in the voters' pamphlet in his or her official capacity if the secretary is a candidate for office during the same year. His or her name may only be included as part of the information normally included for candidates.

The voters' pamphlet must provide the following information for each statewide issue on the ballot except measures for an advisory vote of the people whose requirements are provided in subsection (1) of this section:

(1) The legal identification of the measure by serial designation or number;

(2) The official ballot title of the measure;

(3) A statement prepared by the attorney general explaining the law as it presently exists;

(4) A statement prepared by the attorney general explaining the effect of the proposed measure if it becomes law;

(5) The fiscal impact statement prepared under RCW 29A.72.025;

(6) The total number of votes cast for and against the measure in the senate and house of representatives, if the measure has been passed by the legislature;

(7) An argument advocating the voters' approval of the measure together with any statement in rebuttal of the opposing argument;

(8) An argument advocating the voters' rejection of the measure together with any statement in rebuttal of the opposing argument;

(9) Each argument or rebuttal statement must be followed by the names of the committee members who submitted them, and may be followed by a telephone number that citizens may call to obtain information on the ballot measure;

(10) The full text of the measure;

(11) Two pages shall be provided in the general election voters' pamphlet for each measure for an advisory vote of the people under RCW 43.135.041 and shall consist of the serial number assigned by the secretary of state under RCW 29A.72.040, the short description formulated by the attorney general under RCW 29A.72.283, the tax increase's most up-to-date ten-year cost projection, including a year-by-year breakdown, by the office of financial management under RCW 43.135.031, and the names of the legislators, and their contact information, and how they voted on the increase upon final passage so they can provide information to, and answer questions from, the public. For the purposes of this subsection, "names of legislators, and their contact information" includes each legislator's position (senator or representative), first name, last name, party affiliation (for example, Democrat or Republican), city or town they live in, office phone number, and office email address. Findings—Intent—Construction—Severability—Subheadings and part headings not law—Short title—Effective date—2008 c 1 (Initiative Measure No. 960): See notes following RCW 43.135.031.

29A.32.080 Amendatory style. Statewide ballot measures that amend existing law must be printed in the voters' pamphlet so that language proposed for deletion is enclosed by double parentheses and has a line through it. Proposed new language must be underlined. A statement explaining the deletion and addition of language must appear as follows: "Any language in double parentheses with a line through it is existing state law and will be taken out of the law if this measure is approved by voters. Any underlined language does not appear in current state law but will be added to the law if this measure is approved by voters." [2003 c 111 § 808. Prior: 1999 c 260 § 6. Formerly RCW 29.81.260.]

29A.32.090 Arguments—Rejection, dispute. (1) If in the opinion of the secretary of state any argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate contains obscene matter or matter that is otherwise prohibited by law from distribution through the mail, the secretary may petition the superior court of Thurston county for a judicial determination that the argument or statement may be rejected for publication or edited to delete the matter. The court shall not enter such an order unless it concludes that the matter is obscene or otherwise prohibited for distribution through the mail.

(2) A candidate's statement submitted for inclusion in the voters' pamphlet shall not contain false or misleading statements about the candidate's opponent. A false or misleading statement shall be considered "libel or defamation per se" if the statement tends to expose the candidate to hatred, contempt, ridicule, or obloquy, or to deprive him or her of the benefit of public confidence or social intercourse, or to injure him or her in his or her business or occupation. If a candidate believes his or her opponent has libeled or defamed him or her, the candidate may commence an action under subsection (3) of this section.

(3)(a) A person who believes that he or she may be defamed by an argument or statement offered for inclusion in the voters' pamphlet in support of or opposition to a measure or candidate may petition the superior court of Thurston county for a judicial determination that the argument or statement may be rejected for publication or edited to delete the defamatory statement.

(b) The court shall not enter such an order unless it concludes that the statement is untrue and that the petitioner has a very substantial likelihood of prevailing in a defamation action.

(c) An action under this subsection (3) must be filed and served no later than the tenth day after the deadline for the submission of the argument or statement to the secretary of state.

(d) If the secretary of state notifies a person named or identified in an argument or statement of the contents of the argument or statement within three days after the deadline for submission to the secretary, then neither the state nor the sec-

retary is liable for damages resulting from publication of the argument or statement unless the secretary publishes the argument or statement in violation of an order entered under this section. Nothing in this section creates a duty on the part of the secretary of state to identify, locate, or notify the person.

(4) Parties to a dispute under this section may agree to resolve the dispute by rephrasing the argument or statement, even if the deadline for submission to the secretary has elapsed, unless the secretary determines that the process of publication is too far advanced to permit the change. The secretary shall promptly provide any such revision to any committee entitled to submit a rebuttal argument. If that committee has not yet submitted its rebuttal, its deadline to submit a rebuttal is extended by five days. If it has submitted a rebuttal, it may revise it to address the change within five days of the filing of the revised argument with the secretary.

(5) In an action under this section the committee or candidate must be named as a defendant, and may be served with process by certified mail directed to the address contained in the secretary's records for that party. The secretary of state shall be a nominal party to an action brought under subsection (3) of this section, solely for the purpose of determining the content of the voters' pamphlet. The superior court shall give such an action priority on its calendar. [2009 c 222 § 3; 2003 c 111 § 809. Prior: 1999 c 260 § 8. Formerly RCW 29.81.280.]

Intent—Findings—2009 c 222: See note following RCW 42.17A.335.

29A.32.100 Arguments—Public inspection. (1) An argument or statement submitted to the secretary of state for publication in the voters' pamphlet is not available for public inspection or copying until:

(a) In the case of candidate statements, (i) all statements by all candidates who have filed for a particular office have been received, except those who informed the secretary that they will not submit statements, or (ii) the deadline for submission of statements has elapsed;

(b) In the case of arguments supporting or opposing a measure, (i) the arguments on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed; and

(c) In the case of rebuttal arguments, (i) the rebuttals on both sides have been received, unless a committee was not appointed for one side, or (ii) the deadline for submission of arguments has elapsed.

(2) Nothing in this section prohibits the secretary from releasing information under RCW 29A.32.090. [2013 c 11 § 37; 2003 c 111 § 810. Prior: 1999 c 260 § 9. Formerly RCW 29.81.290.]

29A.32.110 Photographs. All photographs of candidates submitted for publication must conform to standards established by the secretary of state by rule. No photograph may reveal clothing or insignia suggesting the holding of a public office. [2003 c 111 § 811. Prior: 1999 c 260 § 10. Formerly RCW 29.81.300.]

29A.32.121 Candidates' statements—Length. (1) The maximum number of words for statements submitted by candidates is as follows: State representative, one hundred

words; state senator, judge of the superior court, judge of the court of appeals, justice of the supreme court, and all state offices voted upon throughout the state, except that of governor, two hundred words; president and vice president, United States senator, United States representative, and governor, three hundred words.

(2) Arguments written by committees under RCW 29A.32.060 may not exceed two hundred fifty words in length.

(3) Rebuttal arguments written by committees may not exceed seventy-five words in length.

(4) The secretary of state shall allocate space in the pamphlet based on the number of candidates or nominees for each office. [2004 c 271 § 168.]

LOCAL VOTERS' PAMPHLET

29A.32.210 Authorization—Contents—Format. (*Effective until July 1, 2021.*) At least ninety days before any primary or general election, or at least forty days before any special election held under RCW 29A.04.321 or 29A.04.330, the legislative authority of any county or first-class or code city may adopt an ordinance authorizing the publication and distribution of a local voters' pamphlet. The pamphlet shall provide information on all measures within that jurisdiction and may, if specified in the ordinance, include information on candidates within that jurisdiction. If both a county and a first-class or code city within that county authorize a local voters' pamphlet for the same election, the pamphlet shall be produced jointly by the county and the first-class or code city. If no agreement can be reached between the county and first-class or code city, the county and first-class or code city may each produce a pamphlet. Any ordinance adopted authorizing a local voters' pamphlet may be for a specific primary, special election, or general election or for any future primaries or elections. The format of any local voters' pamphlet shall, whenever applicable, comply with the provisions of this chapter regarding the publication of the state candidates' and voters' pamphlets. [2013 c 11 § 38; 2003 c 111 § 813; 1984 c 106 § 3. Formerly RCW 29.81A.010.]

29A.32.210 Duty to print and distribute—Contents—Format. (*Effective July 1, 2021.*) Before any primary or general election, or any special election held under RCW 29A.04.321 or 29A.04.330, each county auditor shall print and distribute a local voters' pamphlet. The pamphlet shall provide information on all measures and candidates within that jurisdiction. The format of any local voters' pamphlet shall, whenever applicable, comply with the provisions of this chapter regarding the publication of the state candidates' and voters' pamphlets. [2020 c 337 § 6; 2013 c 11 § 38; 2003 c 111 § 813; 1984 c 106 § 3. Formerly RCW 29.81A.010.]

Effective date—2020 c 337: See note following RCW 29A.04.410.

29A.32.220 Notice of production—Local governments' decision to participate. (1) Not later than ninety days before the publication and distribution of a local voters' pamphlet by a county, the county auditor shall notify each

city, town, or special taxing district located wholly within that county that a pamphlet will be produced.

(2) If a voters' pamphlet is published by the county for a primary or general election, the pamphlet shall be published for the elective offices and ballot measures of the county and for the elective offices and ballot measures of each unit of local government located entirely within the county which will appear on the ballot at that primary or election. However, the offices and measures of a first-class or code city shall not be included in the pamphlet if the city publishes and distributes its own voters' pamphlet for the primary or election for its offices and measures. The offices and measures of any other town or city are not required to appear in the county's pamphlet if the town or city is obligated by ordinance or charter to publish and distribute a voters' pamphlet for the primary or election for its offices and measures and it does so.

If the required appearance in a county's voters' pamphlet of the offices or measures of a unit of local government would create undue financial hardship for the unit of government, the legislative authority of the unit may petition the legislative authority of the county to waive this requirement. The legislative authority of the county may provide such a waiver if it does so not later than sixty days before the publication of the pamphlet and it finds that the requirement would create such hardship.

(3) If a city, town, or district is located within more than one county, the respective county auditors may enter into an interlocal agreement to permit the distribution of each county's local voters' pamphlet into those parts of the city, town, or district located outside of that county.

(4) If a first-class or code city authorizes the production and distribution of a local voters' pamphlet, the city clerk of that city shall notify any special taxing district located wholly within that city that a pamphlet will be produced. Notification shall be provided in the manner required or provided for in subsection (1) of this section.

(5) A unit of local government located within a county and the county may enter into an interlocal agreement for the publication of a voters' pamphlet for offices or measures not required by subsection (2) of this section to appear in a county's pamphlet. [2003 c 111 § 814; 1994 c 191 § 1; 1984 c 106 § 4. Formerly RCW 29.81A.020.]

29A.32.230 Administrative rules. The county auditor or, if applicable, the city clerk of a first-class or code city shall, in consultation with the participating jurisdictions, adopt and publish administrative rules necessary to facilitate the provisions of any ordinance authorizing production of a local voters' pamphlet. Any amendment to such a rule shall also be adopted and published. Copies of the rules shall identify the date they were adopted or last amended and shall be made available to any person upon request. One copy of the rules adopted by a county auditor and one copy of any amended rules shall be submitted to the county legislative authority. One copy of the rules adopted by a city clerk and one copy of any amended rules shall be submitted to the city legislative authority. These rules shall include but not be limited to the following:

(1) Deadlines for decisions by cities, towns, or special taxing districts on being included in the pamphlet;

(2) Limits on the length and deadlines for submission of arguments for and against each measure;

(3) The basis for rejection of any explanatory or candidates' statement or argument deemed to be libelous or otherwise inappropriate. Any statements by a candidate shall be limited to those about the candidate himself or herself;

(4) Limits on the length and deadlines for submission of candidates' statements;

(5) An appeal process in the case of the rejection of any statement or argument. [2003 c 111 § 815. Prior: 1984 c 106 § 5. Formerly RCW 29.81A.030.]

(b) A list of jurisdictions that have measures or candidates in the pamphlet;

(c) Information on how a person may register to vote and obtain a ballot;

(d) The text of each measure accompanied by an explanatory statement prepared by the prosecuting attorney for any county measure or by the attorney for the jurisdiction submitting the measure if other than a county measure. All explanatory statements for city, town, or district measures not approved by the attorney for the jurisdiction submitting the measure shall be reviewed and approved by the county prosecuting attorney or city attorney, when applicable, before inclusion in the pamphlet;

(e) The arguments for and against each measure submitted by committees selected pursuant to RCW 29A.32.280;

(f) A list of all student engagement hubs in the county as designated under RCW 29A.40.180; and

(g) For partisan primary elections, information on how to vote the applicable ballot format and an explanation that minor political party candidates and independent candidates will appear only on the general election ballot.

(2) The county auditor's name may not appear in the local voters' pamphlet in his or her official capacity if the county auditor is a candidate for office during the same year. His or her name may only be included as part of the information normally included for candidates. [2020 c 208 § 12; 2016 c 83 § 2; 2011 c 10 § 29; 2004 c 271 § 123.]

[2003 c 111 § 817. Prior: 1984 c 106 § 7. Formerly RCW 29.81A.050.]

(2020 Ed.)

every residence in each jurisdiction that has included information in the pamphlet. The county auditor or city clerk, as appropriate, may choose to mail the pamphlet to each registered voter in each jurisdiction that has included information in the pamphlet, if in his or her judgment, a more economical and effective distribution of the pamphlet would result. [2011 c 10 § 30; 2003 c 111 § 818. Prior: 1984 c 106 § 8. Formerly RCW 29.81A.060.]

Notice to registered poll voters—Elections by mail—2011 c 10: See note following RCW 29A.04.008.

29A.32.270 Cost. The cost of a local voters' pamphlet shall be considered an election cost to those local jurisdictions included in the pamphlet and shall be prorated in the manner provided in RCW 29A.04.410. [2003 c 111 § 819. Prior: 1984 c 106 § 9. Formerly RCW 29.81A.070.]

For each measure from a unit of local government that is included in a local voters' pamphlet, the legislative authority of that jurisdiction shall, not later than the resolution deadline, formally appoint a committee to prepare arguments advocating voters' approval of the measure and shall formally appoint a committee to prepare arguments advocating voters' rejection of the measure. The authority shall appoint persons known to favor the measure to serve on the committee advocating approval and shall, whenever possible, appoint persons known to oppose the measure to serve on the committee advocating rejection. Each committee shall have not more than three members, however, a committee may seek the advice of any person or persons. If the legislative authority of a unit of local government fails to make such appointments by the prescribed deadline, the county auditor shall whenever possible make the appointments. [2015 c 146 § 3; 2003 c 111 § 820. Prior: 1994 c 191 § 2; 1984 c 106 § 10. Formerly RCW 29.81A.080.]

Legislative intent—1987 c 346: "By this act the legislature intends to combine and unify the laws and procedures governing absentee voting. These amendments are intended: (1) To clarify and incorporate into a single chapter of the Revised Code of Washington the preexisting statutes under which electors of this state qualify for absentee ballots under state law, federal law, or a combination of both state and federal law, and (2) to insure uniformity in the application, issuance, receipt, and canvassing of these absentee ballots. Nothing in this act is intended to impose any new requirement on the ability of the registered voters or electors of this state to qualify for, receive, or cast absentee ballots in any primary or election." 29A.40.050 Special ballots. (1) County auditors shall provide special absentee ballots to be used for state primary or state general elections. An auditor shall provide a special absentee ballot only to a registered voter who completes an application stating that she or he will be unable to vote and return a regular ballot by normal mail delivery within the period provided for regular ballots.

A special absentee ballot may not be requested more than ninety days before the applicable state primary or gen-

eral election. The special absentee ballot will list the offices and measures, if known, scheduled to appear on the state primary or general election ballot. The voter may use the special absentee ballot to write in the name of any eligible candidate for each office and vote on any measure.

(2) The county auditor shall include a listing of any candidates who have filed before the time of the application for offices that will appear on the ballot at that primary or election and a list of any issues that have been referred to the ballot before the time of the application.

(3) Write-in votes on special absentee ballots must be counted in the same manner provided by law for the counting of other write-in votes. The county auditor shall process and canvass the special absentee ballots provided under this section in the same manner as other ballots under this chapter and chapter 29A.60 RCW.

(4) A voter who requests a special absentee ballot under this section may also request a regular ballot. If the regular absentee ballot is properly voted and returned, the special absentee ballot is void, and the county auditor shall reject it in whole when special absentee ballots are canvassed. 29A.40.070 Date ballots mailed—Replacement ballots. (1) Except where a recount or litigation is pending, the county auditor must mail ballots to each voter at least eighteen days before each primary or election, and as soon as possible for all subsequent registration changes.

(2) Except where a recount or litigation is pending, the county auditor must mail ballots to each service and overseas voter at least thirty days before each special election, and at least forty-five days before each primary or general election, or any special election that involves federal office. A request for a ballot made by an overseas or service voter after that day must be processed immediately.

(3) A registered voter may obtain a replacement ballot if the ballot is destroyed, spoiled, lost, or not received by the voter. The voter may obtain the ballot by telephone request, by mail, electronically, or in person. The county auditor shall keep a record of each request for a replacement ballot.

(4) Each county auditor shall certify to the office of the secretary of state the dates the ballots were mailed, or the reason and date the ballots will be mailed if the ballots were not mailed timely.

(5) Failure to mail ballots as prescribed in this section does not by itself provide a basis for an election contest or other legal challenge to the results of a primary, general election, or special election. 29A.40.091 Envelopes, declaration, and instructions—Voter's oath—Overseas and service voters—Return of ballots—County auditor's name. (1) The county auditor shall send each voter a ballot, a security envelope in which to conceal the ballot after voting, a larger envelope in which to return the security envelope, a declaration that the voter must sign, and instructions on how to obtain information about the election, how to mark the ballot, and how to return the ballot to the county auditor. The calendar date of the election must be prominently displayed in bold type, twenty-point font or larger, on the envelope sent to the voter containing the ballot and other materials listed in this subsection:

- (a) For all general elections in 2020 and after;
- (b) For all primary elections in 2021 and after; and
- (c) For all elections in 2022 and after.

(2) The voter must swear under penalty of perjury that he or she meets the qualifications to vote, and has not voted in any other jurisdiction at this election. The declaration must clearly inform the voter that it is illegal to vote if he or she is not a United States citizen; it is illegal to vote if he or she has been convicted of a felony and has not had his or her voting rights restored; and it is illegal to cast a ballot or sign a ballot declaration on behalf of another voter. The ballot materials must provide space for the voter to sign the declaration, indicate the date on which the ballot was voted, and include a telephone number.

(3) For overseas and service voters, the signed declaration constitutes the equivalent of a voter registration. Return envelopes for overseas and service voters must enable the ballot to be returned postage free if mailed through the United States postal service, United States armed forces postal service, or the postal service of a United States foreign embassy under 39 U.S.C. 3406.

(4) The voter must be instructed to either return the ballot to the county auditor no later than 8:00 p.m. the day of the election or primary, or mail the ballot to the county auditor with a postmark no later than the day of the election or primary. Return envelopes for all election ballots must include prepaid postage. Service and overseas voters must be provided with instructions and a privacy sheet for returning the ballot and signed declaration by fax or email. A voted ballot and signed declaration returned by fax or email must be received by 8:00 p.m. on the day of the election or primary.

(5) The county auditor's name may not appear on the security envelope, the return envelope, or on any voting instructions or materials included with the ballot if he or she is a candidate for office during the same year.

(6) For purposes of this section, "prepaid postage" means any method of return postage paid by the county or state. [2020 c 12 § 1; 2019 c 161 § 3; 2016 c 83 § 3; 2013 c 11 § 49. Prior: 2011 c 349 § 17; 2011 c 348 § 3; 2011 c 182 § 1; 2011 c 10 § 39; 2010 c 125 § 1; 2009 c 369 § 39; 2005 c 246 § 21; 2004 c 271 § 135.]

Findings—2019 c 161: "The legislature finds that voting by mail has many advantages. However, the legislature also finds that while the cost of ballot return postage may only be a small amount, passing the burden along to Washington's citizens, many of whom no longer need stamps in their everyday lives, is an unnecessary barrier to fully participate in the demo-

cratic process. The legislature further finds that in order to continue to increase participation in our democracy, we must lower all barriers to participation in the democratic process. The legislature finds that voting should be free for all citizens." [2019 c 161 § 1.]

Effective date—2019 c 161: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2019." [2019 c 161 § 4.]

29A.40.100 Observers. County auditors must request that observers be appointed by the major political parties to be present during the processing of ballots at the counting center. County auditors have discretion to also request that observers be appointed by any campaigns or organizations. The absence of the observers will not prevent the processing of ballots if the county auditor has requested their presence. [2011 c 10 § 40; 2003 c 111 § 1010. Prior: 2001 c 241 § 9. Formerly RCW 29.36.300.]

29A.40.110 Processing incoming ballots. (1) The opening and subsequent processing of return envelopes for any primary or election may begin upon receipt. The tabulation of absentee ballots must not commence until after 8:00 p.m. on the day of the primary or election.

(2) All received return envelopes must be placed in secure locations from the time of delivery to the county auditor until their subsequent opening. After opening the return envelopes, the county canvassing board shall place all of the ballots in secure storage until processing. Ballots may be taken from the inner envelopes and all the normal procedural steps may be performed to prepare these ballots for tabulation.

(3) The canvassing board, or its designated representatives, shall examine the postmark on the return envelope and signature on the declaration before processing the ballot. The ballot must either be received no later than 8:00 p.m. on the day of the primary or election, or must be postmarked no later than the day of the primary or election. All personnel assigned to verify signatures must receive training on statewide standards for signature verification. Personnel shall verify that the voter's signature on the ballot declaration is the same as the signature of that voter in the registration files of the county. Verification may be conducted by an automated verification system approved by the secretary of state. A variation between the signature of the voter on the ballot declaration and the signature of that voter in the registration files due to the substitution of initials or the use of common nicknames is permitted so long as the surname and handwriting are clearly the same.

(4) If the postmark is missing or illegible, the date on the ballot declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. For overseas voters and service voters, the date on the declaration to which the voter has attested determines the validity, as to the time of voting, for that ballot. Any overseas voter or service voter may return the signed declaration and voted ballot by

fax or email by 8:00 p.m. on the day of the primary or election, and the county auditor must use established procedures to maintain the secrecy of the ballot. 29A.40.160 Voting centers. (1) Each county auditor shall open a voting center each primary, special election, and general election. The voting center shall be open during business hours during the voting period, which begins eighteen days before, and ends at 8:00 p.m. on the day of, the primary, special election, or general election.

(2) Each county auditor shall register voters in person at each of the following locations in the county:

- (a) At the county auditor's office;
- (b) At the division of elections, if located in a separate city from the county auditor's office; and

(c) For each presidential general election, at a voting center in each city in the county with a population of one hundred thousand or greater, which does not have a voting center as required in (a) or (b) of this subsection. A voting center opened pursuant to this subsection (2) is not required to be open on the Sunday before the presidential election.

(3) Voting centers shall be located in public buildings or buildings that are leased by a public entity including, but not limited to, libraries.

(4) Each voting center, and at least one of the other locations designated by the county auditor to allow voters to register in person pursuant to RCW 29A.08.140(1)(b), must provide voter registration materials, ballots, provisional ballots, disability access voting units, sample ballots, instructions on how to properly vote the ballot, a ballot drop box, and voters' pamphlets, if a voters' pamphlet has been published.

(5) Each voting center must be accessible to persons with disabilities. Each state agency and entity of local government shall permit the use of any of its accessible facilities as voting centers when requested by a county auditor.

(6) Each voting center must provide at least one voting unit certified by the secretary of state that provides access to individuals who are blind or visually impaired, enabling them to vote with privacy and independence.

(7) No person may interfere with a voter attempting to vote in a voting center. Interfering with a voter attempting to vote is a violation of RCW 29A.84.510.

(8) Before opening the voting center, the voting equipment shall be inspected to determine if it has been properly prepared for voting. If the voting equipment is capable of direct tabulation of each voter's choices, the county auditor shall verify that no votes have been registered for any issue or office, and that the device has been sealed with a unique numbered seal at the time of final preparation and logic and accuracy testing. A log must be made of all device numbers and seal numbers.

(9) The county auditor shall require any person desiring to vote at a voting center to either sign a ballot declaration or provide identification.

(a) The signature on the declaration must be compared to the signature on the voter registration record before the ballot may be counted. If the voter registered using a mark, or can no longer sign his or her name, the election officers shall require the voter to be identified by another registered voter.

(b) The identification must be valid photo identification, such as a driver's license, state identification card, student identification card, tribal identification card, or employer identification card. A tribal identification card is not required to include a residential address or an expiration date to be considered valid under this section. Any individual who desires to vote in person but cannot provide identification shall be issued a provisional ballot, which shall be accepted if the signature on the declaration matches the signature on the voter's registration record.

(10) Provisional ballots must be accompanied by a declaration and security envelope, as required by RCW 29A.40.091, and space for the voter's name, date of birth, current and former registered address, reason for the provisional ballot, and disposition of the provisional ballot. The voter shall vote and return the provisional ballot at the voting center. The voter must be provided information on how to ascertain whether the provisional ballot was counted and, if applicable, the reason why the vote was not counted.

(11) Any voter may take printed or written material into the voting device to assist in casting his or her vote. The voter shall not use this material to electioneer and shall remove it when he or she leaves the voting center.

(12) If any voter states that he or she is unable to cast his or her votes due to a disability, the voter may designate a person of his or her choice, or two election officers, to enter the voting booth and record the votes as he or she directs.

(13) No voter is entitled to vote more than once at a primary, special election, or general election. If a voter incorrectly marks a ballot, he or she may be issued a replacement ballot.

The canvassing board shall not count the provisional ballot if it finds that the voter has also voted a regular ballot in that primary, special election, or general election.

(15) Any voter who is inside or in line at the voting center at 8:00 p.m. on the day of the primary, special election, or general election must be allowed to vote.

(16) For each primary, special election, and general election, the county auditor may provide election services at locations in addition to the voting center. The county auditor has discretion to establish which services will be provided at the additional locations, and which days and hours the locations will be open. Ballots must be removed from a ballot drop box by at least two people, with a record kept of the date and time ballots were removed, and the names of people removing them. Ballots from drop boxes must be returned to the counting center in secured transport containers. A copy of the record must be placed in the container, and one copy must be transported with the ballots to the counting center, where the seal number must be verified by the county auditor or a designated representative. All ballot drop boxes must be secured at 8:00 p.m. on the day of the primary, special election, or general election.

(2) The county auditor must establish a minimum of one ballot drop box per fifteen thousand registered voters in the county and a minimum of one ballot drop box in each city, town, and census-designated place in the county with a post office.

(3) At the request of a federally recognized Indian tribe with a reservation in the county, the county auditor must establish at least one ballot drop box on the Indian reservation on a site selected by the tribe that is accessible to the county auditor by a public road.

(4) A federally recognized Indian tribe may designate at least one building as a ballot pickup and collection location at no cost to the tribe. The designated building must be accessible to the county auditor by a public road. The county auditor of the county in which the building is located must collect ballots from that location in compliance with the procedures in subsection (1) of this section. [2019 c 6 § 5.]

lege as defined in RCW 28B.10.016 and each higher education campus as defined in RCW 28B.45.012 shall open a non-partisan student engagement hub on its campus. The student engagement hub may be open during business hours beginning eight days before, and ending at 8:00 p.m. on the day of, the general election. All student engagement hubs must allow students to download their exact ballot from an online portal. Upon request of the student government organization to the administration and the county auditor, the student engagement hub at a state university, regional university, or The Evergreen State College as defined in RCW 28B.10.016 must allow voters to register in person pursuant to RCW 29A.08.140(1)(b) and provide voter registration materials and ballots.

(2) Each institution shall contract with the county auditor for the operation of a student engagement hub under this section.

(3) Student engagement hubs are not voting centers as outlined in RCW 29A.40.160 and must be operated in a manner that avoids partisan influence or electioneering. [2020 c 208 § 10.]

PARTISAN PRIMARIES

29A.52.112 Top two candidates—Single county partisan office—Party or independent preference. (1) A primary is a first stage in the public process by which voters elect candidates to public office.

(2) Whenever candidates for a partisan office are to be elected, the general election must be preceded by a primary conducted under this chapter. Based upon votes cast at the primary, the top two candidates will be certified as qualified

to appear on the general election ballot, unless only one candidate qualifies as provided in *RCW 29A.36.170.

(3) No primary may be held for any single county partisan office to fill an unexpired term if, after the last day allowed for candidates to withdraw, only one candidate has filed for the position.

(4) For partisan office, if a candidate has expressed a party preference on the declaration of candidacy, then that preference will be shown after the name of the candidate on the primary and general election ballots as set forth in rules of the secretary of state. A candidate may choose to express no party preference. Any party preferences are shown for the information of voters only and may in no way limit the options available to voters. [2014 c 7 § 1; 2013 c 11 § 50; 2005 c 2 § 7 (Initiative Measure No. 872, approved November 2, 2004).]

***Reviser's note:** RCW 29A.36.170 was amended by 2013 c 143 § 1, removing the one candidate exception.

Intent—2005 c 2 (Initiative Measure No. 872): "The Washington Constitution and laws protect each voter's right to vote for any candidate for any office. The Washington State Supreme Court has upheld the blanket primary as protecting compelling state interests "allowing each voter to keep party identification, if any, secret; allowing the broadest possible participation in the primary election; and giving each voter a free choice among all candidates in the primary." *Heavey v. Chapman*, 93 Wn.2d 700, 705, 611 P.2d 1256 (1980). The Ninth Circuit Court of Appeals has threatened this system through a decision, that, if not overturned by the United States Supreme Court, may require change. In the event of a final court judgment invalidating the blanket primary, this People's Choice Initiative will become effective to implement a system that best protects the rights of voters to make such choices, increases voter participation, and advances compelling interests of the state of Washington." [2005 c 2 § 2 (Initiative Measure No. 872, approved November 2, 2004).]

Reviser's note: On February 28, 2004, the United States Supreme Court refused to take the case on appeal; therefore the Ninth Circuit's decision stands.

PRESIDENTIAL PRIMARY

29A.56.020 Date. (1) On the second Tuesday in March of each year in which a president of the United States is to be nominated and elected, a presidential primary shall be held at which voters may vote for the nominee of a major political party for the office of president.

(2)(a) The secretary of state may propose an alternative date for the primary, including to coordinate a regional primary with any of the following states: Alaska, Arizona, California, Hawaii, Idaho, Montana, Nevada, Oregon, and Utah, no later than the first day of September of the year before the year in which a president is to be nominated and elected. The proposed date must not be prior to the earliest date permitted by the national rules of the major political parties.

(b) No later than the fifteenth day of September of the year before the year in which a presidential nominee is selected, the state committee of any major political party that will use the primary results for candidates of that party may propose an alternative date for that primary.

(3) If an alternative date is proposed under subsection (2)(a) or (b) of this section, a committee consisting of the chair and the vice chair of the state committee of each major political party, the secretary of state, the majority leader and minority leader of the senate, and the speaker and the minority leader of the house of representatives shall meet and, if affirmed by a two-thirds vote of the members of the committee, the date of the primary shall be changed. The committee shall meet and decide on the proposed alternate date not later than the first day of October of the year before the year in which a presidential nominee is selected. The secretary of state shall convene and preside over the meeting of the committee. A committee member other than a legislator may appoint, in writing, a designee to serve on his or her behalf. A legislator who is a member of the committee may appoint, in writing, another legislator to serve on his or her behalf.

(4) If an alternate date is approved under this section, the secretary of state shall adopt rules under RCW 29A.04.620 to adjust the deadlines in RCW 29A.56.031 and related provisions of this chapter to correspond with the date that has been approved. 29A.56.031 Submission of candidates by parties. (1)

Each party must determine which candidates are to be placed on the presidential primary ballot for that party. The chair of each party must submit to the secretary of state the names of the candidates to appear on the ballot for that party no later than sixty-three days before the presidential primary. Once submitted, changes must not be made to the candidates that will appear on the ballot.

(2) No later than the seventh day before the presidential nomination primary, the chair of each party must submit to the secretary of state the names of write-in candidates, if any, to be counted for that party. [2019 c 7 § 2.]

29A.56.040 Procedures—Ballot form and arrangement. (1) Except where necessary to accommodate the national or state rules of a major political party or where this chapter specifically provides otherwise, the presidential primary must be conducted in substantially the same manner as a state primary under this title.

(2) The arrangement and form of presidential primary ballots must be established by administrative rule adopted under RCW 29A.04.620, and in consultation with the major political parties. Only the candidates who have been submitted under RCW 29A.56.031 may appear on the ballots.

(3) Each party's ballot or portion of the ballot must list alphabetically the names of all candidates for the office of president for that party. The ballot must clearly indicate the political party of each candidate.

(4) If requested by a party chair, the ballot for that party must contain a place for a voter to indicate a preference for having delegates to the party's national convention remain uncommitted. A request under this subsection must be submitted to the secretary of state no later than sixty-three days before the presidential primary.

(5) A presidential primary ballot with votes for more than one candidate is void, and notice to this effect, stated in clear, simple language and printed in large type, must appear on the face of each presidential primary ballot or on or about each voting device.

(6) Notice must be published in the manner required by RCW 29A.52.355. [2019 c 7 § 3; 2013 c 11 § 54; 2007 c 385 § 1; 2003 c 111 § 1404. Prior: 1995 1st sp.s. c 20 § 2. Formerly RCW 29.19.045.]

29A.56.050 Allocation of delegates—Party declarations. (2) If requested by a major political party, the secretary of state shall adopt rules under RCW 29A.04.620 to provide for any declaration required by that party.

(3) Voters who subscribe to a specific political party declaration under this section may only vote for a candidate of that party. Each list of candidates on ballots must be readily distinguishable from the list of candidates for any other party. Votes cast by persons making these declarations must be tabulated and reported separately from other votes cast at the pri-

mary and may be used by a major political party in its allocation of delegates under the rules of that party.

(4) For a political party that requires a specific voter declaration under this section, the secretary of state shall prescribe rules for providing, to the state and county committees of that political party, a copy of the declarations or a list of the voters who participated in the presidential nominating process of that party. [2019 c 7 § 4; 2003 c 111 § 1405. Prior: 1995 1st sp.s. c 20 § 3. Formerly RCW 29.19.055.]

(2) Except as otherwise provided by law of this state other than RCW 29A.56.080 through 29A.56.092, each elector shall present both completed ballots to the secretary of state, who shall examine the ballots and accept as cast all ballots of electors whose votes are consistent with their pledges executed under RCW 29A.56.084 or 29A.56.088(3). Except as otherwise provided by law of this state other than RCW 29A.56.080 through 29A.56.092, the secretary of state may not accept and may not count either an elector's presidential or vice presidential ballot if the elector has not marked both ballots or has marked a ballot in violation of the elector's pledge.

(4) The secretary of state shall distribute ballots to and collect ballots from a substitute elector and repeat the process under this section of examining ballots, declaring and filling vacant positions as required, and recording appropriately completed ballots from the substituted electors, until all of this state's electoral votes have been cast and recorded. Within fifteen days after receiving the petition, the superior court shall have conducted a hearing on and shall have determined, without cost to any party, (1) whether or not the acts stated in the charge satisfy the criteria for which a recall petition may be filed, and (2) the adequacy of the ballot synopsis. The clerk of the superior court shall notify the person subject to recall and the person demanding recall of the hearing date. Both persons may appear with counsel. The court may hear arguments as to the sufficiency of the charges and the adequacy of the ballot synopsis. The court shall not consider the truth of the charges, but only their sufficiency. Any such limitation shall apply equally to both sides. If the elections officer finds the same name signed to more than one petition, he or she shall reject all but the first such valid signature.

(3) Where the recall of a statewide elected official is sought, the secretary of state may use any statistical sampling techniques for verification and canvassing which have been adopted by rule for canvassing initiative petitions under RCW 29A.72.230. PRESIDENTIAL ELECTORS

29A.56.300 States' agreement—Presidential election—National popular vote. The agreement among the states to elect the president by national popular vote is hereby entered into and enacted into law with all jurisdictions legally joining therein, in the form substantially as follows:

ARTICLE I - Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

ARTICLE II - Right of the People in Member States to Vote for President and Vice President

Each member state shall conduct a statewide popular election for president and vice president of the United States.

ARTICLE III - Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a "national popular vote total" for each presidential slate.

The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the "national popular vote winner."

The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner.

At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member

(2020 Ed.)

state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within twenty-four hours to the chief election official of each other member state.

The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by congress.

In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state.

If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees.

The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

ARTICLE IV - Other Provisions

This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form and the enactments by such states have taken effect in each state.

Any member state may withdraw from this agreement, except that a withdrawal occurring six months or less before the end of a president's term shall not become effective until a president or vice president shall have been qualified to serve the next term.

The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken effect in that official's state, when the state has withdrawn from this agreement, and when this agreement takes effect generally.

This agreement shall terminate if the electoral college is abolished.

If any provision of this agreement is held invalid, the remaining provisions shall not be affected.

ARTICLE V - Definitions

For purposes of this agreement:

"Chief executive" shall mean the governor of a state of the United States or the mayor of the District of Columbia;

(2020 Ed.)

"Elector slate" shall mean a slate of candidates who have been nominated in a state for the position of presidential elector in association with a presidential slate;

"Chief election official" shall mean the state official or body that is authorized to certify the total number of popular votes for each presidential slate;

"Presidential elector" shall mean an elector for president and vice president of the United States;

"Presidential elector certifying official" shall mean the state official or body that is authorized to certify the appointment of the state's presidential electors;

"Presidential slate" shall mean a slate of two persons, the first of whom has been nominated as a candidate for president of the United States and the second of whom has been nominated as a candidate for vice president of the United States, or any legal successors to such persons, regardless of whether both names appear on the ballot presented to the voter in a particular state;

"State" shall mean a state of the United States and the District of Columbia; and

"Statewide popular election" shall mean a general election in which votes are cast for presidential slates by individual voters and counted on a statewide basis. [2009 c 264 § 2.]

Intent—2009 c 264: "It is the intent of the legislature to enter into the agreement among the states to elect the president by national popular vote. This agreement is a contract between the member states. As a contract, this agreement is governed by the legal principles applicable to contracts. As with a contract, in order for this agreement to have the force of law in a jurisdiction that wishes to enter into the agreement, it must be accepted in precisely the same terms that constitute the offer. Any material variance between the offer and acceptance precludes the formation of a contract. Therefore, the agreement among the states to elect the president by national popular vote must be enacted by Washington under identical terms as contained in the agreement and as enacted by Hawaii, Illinois, Maryland, and New Jersey, subject to only nonmaterial changes." [2009 c 264 § 1.]

29A.56.310 Date of election—Number. On the Tuesday after the first Monday of November in the year in which a president of the United States is to be elected, there shall be elected as many electors of president and vice president of the United States as there are senators and representatives in Congress allotted to this state. [2003 c 111 § 1424; 1965 c 9 § 29.71.010. Prior: 1891 c 148 § 1; RRS § 5138. Formerly RCW 29.71.010.]

29A.56.320 Nomination—What names on ballots—How counted. (1) In the year in which a presidential election is held, each major political party and each minor political party or independent candidate convention that nominates candidates for president and vice president of the United States shall nominate presidential electors for this state. The party or convention shall file with the secretary of state a certificate signed by the presiding officer of the convention at which the presidential electors were chosen, listing the names and addresses of the presidential electors.

(2) The names of presidential electors shall not appear on the ballots. The votes cast for candidates for president and vice president of each political party shall be counted for the candidates for presidential electors of that political party; however, if the interstate compact entitled the "agreement among the states to elect the president by national popular vote," as set forth in RCW 29A.56.300, governs the appointment of the presidential electors for a presidential election as

provided in clause 9 of Article III of that compact, then the final appointment of presidential electors for that presidential election shall be in accordance with that compact. Nominations of candidates for president and vice president of the United States, other than by a major political party, may be made at a convention conducted not earlier than the first Saturday in May and not later than the fourth Saturday in July in the year that president and vice president appear on the general election ballot. A minor political party may hold more than one convention but in no case shall any such party nominate more than one candidate for president or more than one candidate for vice president. To be valid, a convention must be attended by at least one hundred registered voters, but a minor party or independent candidate holding multiple conventions may add together the number of signatures of different individuals from each convention in order to obtain and submit to the secretary of state the signatures of at least one thousand registered voters of the state of Washington. [2013 c 11 § 27; 2006 c 344 § 4; 2004 c 271 § 110. Formerly RCW 29A.20.121.]

29A.56.620 Convention—Notice. Each minor party or independent candidate must publish a notice in a newspaper of general circulation within the county in which the party or the candidate intends to hold a convention. The notice must appear at least ten days before the convention is to be held, and shall state the date, time, and place of the convention. space for the voter to sign his or her name and to print his or her name and address. No person may sign more than one nominating petition under this chapter for an office for an election. [2004 c 271 § 112. Formerly RCW 29A.20.151.]

29A.56.650 Multiple certificates of nomination. (1) If two or more valid certificates of nomination are filed purporting to nominate different candidates for the same position using the same party name, the filing officer must give effect to both certificates. If conflicting claims to the party name are not resolved either by mutual agreement or by a judicial determination of the right to the name, the candidates must be treated as independent candidates. Disputes over the right to the name must not be permitted to delay the printing of either ballots or a voters' pamphlet. Other candidates nominated by the same conventions may continue to use the partisan affiliation unless a court of competent jurisdiction directs otherwise.

(2) A person affected may petition the superior court of the county in which the filing officer is located for a judicial determination of the right to the name of a minor political party, either before or after documents are filed with the filing officer. The court shall resolve the conflict between competing claims to the use of the same party name according to the following principles: (a) The prior established public use of the name during previous elections by a party composed of or led by the same individuals or individuals in documented succession; (b) prior established public use of the name earlier in the same election cycle; (c) the nomination of a more complete slate of candidates for a number of offices or in a number of different regions of the state; (d) documented affiliation with a national or statewide party organization with an established use of the name; (e) the first date of filing of a certificate of nomination; and (f) such other indicia of an established right to use of the name as the court may deem relevant. If more than one filing officer is involved, and one of them is the secretary of state, the petition must be filed in the superior court for Thurston county. Upon resolving the con-

flict between competing claims, the court may also address any ballot designation for the candidate who does not prevail. [2004 c 271 § 155. Formerly RCW 29A.20.171.]

29A.56.660 Presidential electors—Selection at convention. 29A.56.670 Certificate of nomination—Checking signatures—Appeal of determination. Upon the receipt of the certificate of nomination, the secretary of state shall check the certificate and canvass the signatures on the accompanying nominating petitions to determine if the requirements of RCW 29A.56.640 have been met. Once the determination has been made, the secretary of state shall notify the presiding officer of the convention and any other persons requesting the notification, of his or her decision regarding the sufficiency of the certificate or the nominating petitions. Any appeal regarding the secretary's determination must be filed with the superior court of Thurston county not later than five days from the date the determination is made, and shall be heard and finally disposed of by the court within five days of the filing. Nominating petitions shall not be available for public inspection or copying. [2013 c 11 § 29; 2004 c 271 § 157. Formerly RCW 29A.20.191.]

All elections, whether special or general, held under RCW 29A.04.321 and 29A.04.330 must be conducted by the county auditor as ex officio county supervisor of elections and, except as provided in RCW 29A.60.240, the returns canvassed by the county canvassing board. [2013 c 11 § 59; 2003 c 111 § 1501; 1965 c 123 § 4; 1965 c 9 § 29.13.040. Prior: 1963 c 200 § 6; 1955 c 55 § 3; 1951 c 257 § 4; 1951 c 101 § 4; 1949 c 161 § 5; Rem. Supp. 1949 § 5153-1. Formerly RCW 29.13.040.]

29A.60.021 Write-in voting—Declaration of candidacy—Counting of vote. (1) For any office, except precinct committee officer, at any election or primary, any voter may write in on the ballot the name of any person for an office. Votes must be individually tallied for a candidate who has filed as a write-in candidate for the office in the manner provided by RCW 29A.24.311 as long as the requirements of subsection (6), (7), or (8) of this section are met. No write-in vote for a declared write-in candidate may be rejected due to variation in the form of the name if the canvassing board can determine the person and office for which the voter intended to vote.

(2) The total number of write-in votes cast for each office must be recorded and reported with the canvass for the election.

(3) A write-in vote for an individual candidate for an office whose name is printed on the ballot for that same office is a valid vote for that candidate as long as the candidate's name is clearly discernible, even if the voter also marked a vote for that candidate such as to otherwise register an over-vote.

(4) Write-in votes cast for an individual candidate for an office whose name does not appear on the ballot need not be individually tallied unless the candidate has filed a timely declaration of write-in candidacy.

(5) In the case of write-in candidates for a statewide office or any office whose jurisdiction encompasses more than one county, write-in votes for an individual candidate must be tallied when the county auditor is notified by the filing officer for that office that a candidate has filed a timely declaration of write-in candidacy. In all other cases, the county auditor determines, in accordance with this section, whether a candidate has filed a timely declaration of write-in candidacy and thus, write-in votes must be individually tallied. The county canvassing board must certify write-in votes including the vote total received by a candidate that has filed a timely declaration of write-in candidacy if the requirements of subsection (6), (7), or (8) of this section are met. Final results must consolidate the vote total associated with each candidate after the canvassing board has reconciled any variation in the spelling of names for those candidates.

(6) In a primary, if the name of only a single candidate appears on the ballot for an office, and the total number of write-in votes cast for that office exceeds one percent of the total number of votes cast for that office, the individual write-in votes for each candidate who has filed a timely declaration of write-in candidacy must be canvassed and reported. Otherwise, individual tallying of write-in votes is not required.

(7) In a primary, if two or more candidates appear on the ballot for an office and the total number of write-in votes cast for that office exceeds the number of votes cast for the candidate with the second highest number of votes, then the individual write-in votes for each candidate who has filed a timely declaration of write-in candidacy must be canvassed and reported. Otherwise, individual tallying of write-in votes is not required.

(8) In a general election, if the total number of write-in votes cast for an office exceeds the number of votes cast for the candidate apparently elected to that office, then the individual write-in votes for each candidate who has filed a timely declaration of write-in candidacy must be canvassed and reported. Otherwise, individual tallying of write-in votes is not required. [2018 c 187 § 3; 2012 c 89 § 4; 2005 c 243 § 12; 2004 c 271 § 147.]

Intent—Finding—Effective date—2012 c 89: See notes following RCW 29A.24.311.

29A.60.040 Rejection of ballots or parts—Write-in votes. A ballot is invalid and no votes on that ballot may be counted if it is found folded together with another ballot.

Those parts of a ballot are invalid and no votes may be counted for those issues or offices where more votes are cast for the office or issue than are permitted by law; write-in votes do not contain all of the information required under RCW 29A.60.021; or that issue or office is not marked with sufficient definiteness to determine the voter's choice or intention. No write-in vote may be rejected due to a variation in the form of the name if the canvassing board can determine the issue for or against which or the person and the office for which the voter intended to vote. 29A.60.050 Questions on validity of ballot—Rejection—Preservation and return. Whenever the counting center personnel have a question about the validity of a ballot or the votes for an office or issue that they are unable to resolve, they shall prepare and sign a concise record of the facts in question or dispute. These ballots shall be delivered to the canvassing board for processing. A ballot is not considered rejected until the canvassing board has rejected the bal-

lot individually, or the ballot was included in a batch or on a report of ballots that was rejected in its entirety by the canvassing board. - (a) In the event of a manual recount;
- (b) By order of the county canvassing board;
- (c) By order of a court of competent jurisdiction; or

Intent—Effective date—1990 c 59: See notes following RCW 29A.04.013.

29A.60.110 Ballot containers, sealing, opening. (1) Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

(2) In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, to conduct recounts, to conduct a random check under RCW 29A.60.170, to conduct an audit under RCW 29A.60.185, or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation or examination made of the ballots. 29A.60.120 Counting ballots—Official returns. (1) All voted ballots must be manually inspected for damage, write-in votes, and incorrect or incomplete marks. If it is found that any ballot is damaged so that it cannot properly be counted by the vote tallying system, a true duplicate copy must be made of the damaged ballot in the presence of witnesses and substituted for the damaged ballot. All damaged ballots must be kept by the county auditor until sixty days after the primary or election or according to federal law, whichever is longer.

(2) The returns produced by the vote tallying system, to which have been added the counts of questioned ballots, and write-in votes, constitute the official returns of the primary or

election in that county. [2011 c 10 § 51; 2003 c 111 § 1512; 1999 c 158 § 15; 1990 c 59 § 33; 1977 ex.s. c 361 § 74. Formerly RCW 29.54.085, 29.34.167.]

29A.60.125 Damaged ballots. If inspection of the ballot reveals a physically damaged ballot or ballot that may be otherwise unreadable or uncountable by the tabulating system, the county auditor may refer the ballot to the county canvassing board or duplicate the ballot if so authorized by the county canvassing board. The voter's original ballot may not be altered. A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. Ballots must be duplicated by teams of two or more people working together. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

(2) A log must be kept of the ballots duplicated, which must at least include:

(a) The control number of each original ballot and the corresponding duplicate ballot;

(b) The initials of at least two people who participated in the duplication of each ballot; and

(c) The total number of ballots duplicated.

Original and duplicate ballots must be sealed in secure storage at all times, except during duplication, inspection by the canvassing board, tabulation, or to conduct an audit under RCW 29A.60.185. [2018 c 218 § 8; 2005 c 243 § 10.]

Intent—2018 c 218: See note following RCW 29A.60.185.

29A.60.130 Certificate not withheld for informality in returns. No certificate shall be withheld on account of any defect or informality in the returns of any election, if it can with reasonable certainty be ascertained from such return what office is intended, and who is entitled to such certificate, nor shall any commission be withheld by the governor on account of any defect or informality of any return made to the office of the secretary of state. [2003 c 111 § 1513. Prior: 1965 c 9 § 29.27.120; prior: Code 1881 § 3102; 1865 p 41 § 13; RRS § 5347. Formerly RCW 29.27.120.]

29A.60.140 Canvassing board—Membership—Authority—Delegation of authority—Rule making. (1) Members of the county canvassing board are the county auditor, who is the chair, the county prosecuting attorney, and the chair of the county legislative body. If a member of the board is not available to carry out the duties of the board, then the auditor may designate a deputy auditor, the prosecutor may designate a deputy prosecuting attorney, and the chair of the county legislative body may designate another member of the county legislative body or, in a county with a population over one million, an employee of the legislative body who reports

directly to the chair. An "employee of the legislative body" means an individual who serves in any of the following positions: Chief of staff; legal counsel; clerk of the council; policy staff director; and any successor positions to these positions should these original positions be changed. Any such designation may be made on an election-by-election basis or may be on a permanent basis until revoked by the designating authority. Any such designation must be in writing, and if for a specific election, must be filed with the county auditor not later than the day before the first day duties are to be undertaken by the canvassing board. If the designation is permanent until revoked by the designating authority, then the designation must be on file in the county auditor's office no later than the day before the first day the designee is to undertake the duties of the canvassing board. Members of the county canvassing board designated by the county auditor, county prosecuting attorney, or chair of the county legislative body shall complete training as provided in RCW 29A.04.540 and shall take an oath of office similar to that taken by county auditors and deputy auditors in the performance of their duties.

(2) The county canvassing board may adopt rules that delegate in writing to the county auditor or the county auditor's staff the performance of any task assigned by law to the canvassing board.

(3) The county canvassing board may not delegate the responsibility of certifying the returns of a primary or election, of determining the validity of challenged ballots, or of determining the validity of provisional ballots referred to the board by the county auditor.

(4) The county canvassing board shall adopt administrative rules to facilitate and govern the canvassing process in that jurisdiction.

(5) Meetings of the county canvassing board are public meetings under chapter 42.30 RCW. All rules adopted by the county canvassing board must be adopted in a public meeting under chapter 42.30 RCW, and once adopted must be available to the public to review and copy under chapter 42.56 RCW. [2008 c 308 § 1; 2005 c 274 § 250; 2003 c 111 § 1514.]

29A.60.150 Procedure when member a candidate. The members of the county canvassing board may not include individuals who are candidates for an office to be voted upon at the primary or election. If no individual is available to serve on the canvassing board who is not a candidate at the primary or election the individual who is a candidate must not make decisions regarding the determination of a voter's intent with respect to a vote cast for that specific office; the decision must be made by the other two members of the board. If the two disagree, the vote must not be counted unless the number of those votes could affect the result of the primary or election, in which case the secretary of state or a designee shall make the decision on those votes. This section does not restrict participation in decisions as to the acceptance or rejection of entire ballots, unless the office in question is the only one for which the voter cast a vote. [2003 c 111 § 1515; 1995 c 139 § 3; 1965 c 9 § 29.62.030. Prior: 1957 c 195 § 16; prior: (i) Code 1881 § 3098; 1865 p 39 § 8; RRS § 5345. (ii) 1919 c 163 § 21, part; Code 1881 § 3095, part;

29A.60.160 Ballots—Processing, canvassing. (1) The county auditor, as delegated by the county canvassing board, shall process ballots and canvass the votes cast at that primary or election on a daily basis in counties with a population of seventy-five thousand or more, or at least every third day for counties with a population of less than seventy-five thousand, if the county auditor is in possession of more than five hundred ballots that have yet to be canvassed.

(2) Saturdays, Sundays, and legal holidays are not counted for purposes of this section.

(3) In order to protect the secrecy of a ballot, the county auditor may use discretion to decide when to process ballots and canvass the votes.

(4) Tabulation results must be made available to the public immediately upon completion of the canvass. Records of ballots counted must be made available to the public at the end of each day that the county auditor has processed ballots during and after an election. [2016 c 134 § 2; 2013 c 11 § 62; 2011 c 10 § 53; (2011 c 10 § 52 expired July 1, 2013); 2007 c 373 § 2; (2007 c 373 § 1 expired July 1, 2013). 29A.60.165 Unsigned ballot declarations. (1) If the voter neglects to sign the ballot declaration, the auditor shall notify the voter by first-class mail and advise the voter of the correct procedures for completing the unsigned declaration. If the ballot is received within three business days of the final meeting of the canvassing board, or the voter has been notified by first-class mail and has not responded at least three business days before the final meeting of the canvassing board, then the auditor shall attempt to notify the voter by telephone, using the voter registration record information.

(2)(a) If the handwriting of the signature on a ballot declaration is not the same as the handwriting of the signature on the registration file, the auditor shall notify the voter by first-class mail, enclosing a copy of the declaration, and advise the voter of the correct procedures for updating his or her signature on the voter registration file. If the ballot is received within three business days of the final meeting of the canvassing board, or the voter has been notified by first-class mail and has not responded at least three business days before the final meeting of the canvassing board, then the auditor shall attempt to notify the voter by telephone, using the voter registration record information.

(b) If the signature on a ballot declaration is not the same as the signature on the registration file because the name is different, the ballot may be counted as long as the handwriting is clearly the same. The auditor shall send the voter a change-of-name form under RCW 29A.08.440 and direct the voter to complete the form.

(c) If the signature on a ballot declaration is not the same as the signature on the registration file because the voter used initials or a common nickname, the ballot may be counted as long as the surname and handwriting are clearly the same.

(3) A voter may not cure a missing or mismatched signature for purposes of counting the ballot in a recount.

(4) A record must be kept of all ballots with missing and mismatched signatures. The record must contain the date on which the voter was contacted or the notice was mailed, as well as the date on which the voter submitted updated information. The record must be updated each day that ballots are processed under RCW 29A.60.160, each time a voter was contacted or the notice was mailed, and when the voter submitted updated information. The auditor shall send the record, and any updated records, to the secretary of state no later than forty-eight hours after the record is created or updated. The secretary of state shall make all records publicly available no later than twenty-four hours after receiving the record. [2019 c 167 § 1; 2013 c 11 § 63; 2011 c 10 § 54. 29A.60.170 List of observers—Counting center, direction and observation of proceedings—Random check of counting equipment—Report. (1) At least twenty-eight days prior to any special election, general election, or primary, the county auditor shall request from the chair of the county central committee of each major political party a list of individuals who are willing to serve as observers. The county auditor has discretion to also request observers from any campaign or organization. The county auditor may delete from the lists names of those persons who indicate to the county auditor that they cannot or do not wish to serve as observers, and names of those persons who, in the judgment of the county auditor, lack the ability to properly serve as observers after training has been made available to them by the auditor.

(2) The counting center is under the direction of the county auditor and must be open to observation by one representative from each major political party, if representatives have been appointed by the respective major political parties and these representatives are present while the counting center is operating. The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(3) A random check of the ballot counting equipment must be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The random check procedures must be adopted by the county canvassing board, and consistent with rules adopted under RCW 29A.60.185(4), prior to the processing of ballots. The random check process shall involve a comparison of a manual count or electronic count if an audit under RCW 29A.60.185(1)(d)

(2020 Ed.)

is conducted to the machine count from the original ballot counting equipment and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board. The random check procedures must include a process, consistent with RCW 29A.60.185(3) and rules adopted under RCW 29A.60.185(4), for expanding the audit to include additional ballots when a random check conducted under this section results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots and the method to determine how many additional ballots will be selected. Procedures adopted under RCW 29A.60.185 pertaining to investigations of any discrepancy found during an audit must be followed. The check must be completed no later than forty-eight hours after election day.

(4)(a) By November 1, 2018, the secretary of state shall:

(i) For each county, survey all random check procedures adopted by the county canvassing board under subsection (3) of this section; and

(ii) Evaluate the procedures to identify the best practices and any discrepancies.

(b) By December 15, 2018, the secretary of state shall submit a report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature that provides recommendations, based on the evaluation performed under (a) of this subsection, for adopting best practices and uniform procedures. 29A.60.185 Audit of results. (1) Prior to certification of the election as required by RCW 29A.60.190, the county auditor shall conduct an audit of duplicated ballots in accordance with subsection (2) of this section, and an audit using at minimum one of the following methods:

(a) An audit of results of votes cast on the direct recording electronic voting devices, or other in-person ballot marking systems, used in the county if there are races or issues with more than ten votes cast on all direct recording elec-

tronic voting devices or other in-person ballot marking systems in the county. This audit must be conducted by randomly selecting by lot up to four percent of the direct recording electronic voting devices or other in-person ballot marking systems, or one direct recording electronic voting device or other in-person ballot marking system, whichever is greater, and, for each device or system, comparing the results recorded electronically with the results recorded on paper. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices or systems selected for audit, the paper records must be tabulated manually; on the remaining devices or systems, the paper records may be tabulated by a mechanical device determined by the secretary of state to be capable of accurately reading the votes cast and printed thereon and qualified for use in the state under applicable state and federal laws. Three races or issues, randomly selected by lot, must be audited on each device or system. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit. As used in this subsection, "in-person ballot marking system" or "system" means an in-person ballot marking system that retains or produces an electronic voting record of each vote cast using the system;

(b) A random check of the ballot counting equipment consistent with RCW 29A.60.170(3);

(c) A risk-limiting audit. A "risk-limiting audit" means an audit protocol that makes use of statistical principles and methods and is designed to limit the risk of certifying an incorrect election outcome. The secretary of state shall:

(i) Set the risk limit. A "risk limit" means the largest statistical probability that an incorrect reported tabulation outcome is not detected in a risk-limiting audit;

(ii) Randomly select for audit at least one statewide contest, and for each county at least one ballot contest other than the selected statewide contest. The county auditor shall randomly select a ballot contest for audit if in any particular election there is no statewide contest; and

(iii) Establish procedures for implementation of risk-limiting audits, including random selection of the audit sample, determination of audit size, and procedures for a comparison risk-limiting audit and ballot polling risk-limiting audit as defined in (c)(iii)(A) and (B) of this subsection.

(A) In a comparison risk-limiting audit, the county auditor compares the voter markings on randomly selected ballots to the ballot-level cast vote record produced by the ballot counting equipment.

(B) In a ballot polling risk-limiting audit, the county auditor of a county using ballot counting equipment that does not produce ballot-level cast vote records reports the voter markings on randomly selected ballots until the prespecified risk limit is met; or

(d) An independent electronic audit of the original ballot counting equipment used in the county. The county auditor may either conduct an audit of all ballots cast, or limit the audit to three precincts or six batches pursuant to procedures adopted under RCW 29A.60.170(3). This audit must be conducted using an independent electronic audit system that is, at minimum:

(i) Approved by the secretary of state;

(ii) Completely independent from all voting systems, including ballot counting equipment, that is used in the county;

(iii) Distributed or manufactured by a vendor different from the vendor that distributed or manufactured the original ballot counting equipment; and

(iv) Capable of demonstrating that it can verify and confirm the accuracy of the original ballot counting equipment's reported results.

(2) Prior to certification of the election, the county auditor must conduct an audit of ballots duplicated under RCW 29A.60.125. The audit of duplicated ballots must involve a comparison of the duplicated ballot to the original ballot. The county canvassing board must establish procedures for the auditing of duplicated ballots.

(3) For each audit method, the secretary of state must adopt procedures for expanding the audit to include additional ballots when an audit results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots, and the method to determine how many additional ballots will be selected. The secretary of state shall adopt procedures to investigate the cause of any discrepancy found during an audit.

(4) The secretary of state must establish rules by January 1, 2019, to implement and administer the auditing methods in this section, including facilitating public observation and reporting requirements. [2018 c 218 § 2; 2005 c 242 § 5.]

Intent—2018 c 218: "It is the intent of the legislature to ensure our elections have the utmost confidence of the citizens of the state. In order to ensure the integrity of the elections in Washington, the legislature wants to maximize the security benefits of having locally run, decentralized counting systems in our state, based in thirty-nine different counties. The legislature wants to maximize this locally run benefit by adding options to the auditing process for local elections administrators. Multiple jurisdictions, with multiple options for ensuring election outcomes will increase the transparency, integrity, and trust of our elections process." [2018 c 218 § 1.]

Each ballot that was returned before 8:00 p.m. on the day of the special election, general election, primary, or presidential primary, and each ballot bearing a postmark on or before the date of the special election, general election, primary, or presidential primary and received no later than the day before certification, must be included in the canvass report. The canvassing board shall conduct any necessary recanvass activity on or before the last day to certify or recertify the results of the primary, election, or subsequent recount and correct any error and document the correction of any error that it finds. 29A.60.221 Tie in primary or final election. (1) If the requisite number of any federal, state, county, city, or district offices have not been nominated in a primary by reason of two or more persons having an equal and requisite number of votes for being placed on the general election ballot, the official empowered by state law to certify candidates for the general election ballot shall give notice to the several persons so having the equal and requisite number of votes to attend at the appropriate office at the time designated by that official, who shall then and there proceed publicly to decide by lot which of those persons will be declared nominated and placed on the general election ballot.

(2) If the requisite number of any federal, state, county, city, district, or precinct officers have not been elected by reason of two or more persons having an equal and highest number of votes for one and the same office, the official empowered by state law to issue the original certificate of election shall give notice to the several persons so having the highest and equal number of votes to attend at the appropriate office at the time to be appointed by that official, who shall then and there proceed publicly to decide by lot which of those persons will be declared duly elected, and the official shall make out and deliver to the person thus duly declared elected a certificate of election. Tie vote for executive branch officer: State Constitution Art. III § 4.

29A.60.230 Abstract by election officer—Transmittal to secretary of state. Immediately after the official results of a state primary or general election in a county are ascertained, the county auditor or other election officer shall make an abstract of the number of registered voters in each precinct and of all the votes cast in the county at such state primary or general election for and against state measures and for each candidate for federal, state, and legislative office or for any other office which the secretary of state is required by law to canvass. The cumulative report of the election and a copy of the certificate of the election must be transmitted to the secretary of state immediately. The county auditor or other election official may aggregate results from more than one precinct if the auditor, pursuant to rules adopted by the secretary of state, finds that reporting a single precinct's ballot results would jeopardize the secrecy of a person's ballot. To the extent practicable, precincts for which results are aggregated must be contiguous. 29A.60.280 Local elected officials, commencement of term of office—Purpose. (1) The legislature finds that certain laws are in conflict governing the assumption of office of various local officials. The purpose of this section is to provide a common date for the assumption of office for all the elected officials of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting. A person elected to the office of school director begins his or her term of office at the first official meeting of the board of directors after certification of the election results. It is also the purpose of this section to remove these conflicts and delete old statutory language concerning such elections which is no longer necessary.

(2) For elective offices of counties, cities, towns, and special purpose districts other than school districts where the ownership of property is not a prerequisite of voting, the term of incumbents ends and the term of successors begins after the successor is elected and qualified, and the term commences immediately after December 31st following the election, except as follows:

(a) Where the term of office varies from this standard according to statute; and

(b) If the election results have not been certified prior to January 1st after the election, in which event the time of commencement for the new term occurs when the successor becomes qualified in accordance with RCW 29A.04.133.

(3) For elective offices governed by this section, the oath of office must be taken as the last step of qualification as defined in RCW 29A.04.133 but may be taken either:

(a) Up to ten days prior to the scheduled date of assuming office; or

(b) At the last regular meeting of the governing body of the applicable county, city, town, or special district held before the winner is to assume office. [2003 c 111 § 504; 1999 c 298 § 3; 1980 c 35 § 7; 1979 ex.s. c 126 § 1. Formerly RCW 29A.20.040, 29.04.170.]

29A.60.290 Statewide election data and reporting standards—Secretary of state to develop, make rules. (1) The secretary of state must develop statewide election data and reporting standards for how election-related data is maintained and reported by each county auditor. The secretary may make reasonable rules as necessary to develop statewide standards.

(2020 Ed.)

(2) The statewide standards should focus on the goals of improving:

(a) The types of data files and procedures used to collect and maintain election information;

(b) The public's access to election data collected, reported, and made available by each county auditor including, but not limited to:

(i) Records of voters who were issued a ballot and voters who voted in an election, pursuant to RCW 29A.40.130;

(ii) Tabulation results made available pursuant to RCW 29A.60.160; and

(iii) Information collected and reported in the county election reconciliation report, pursuant to RCW 29A.60.235; and

(c) The efficient compilation of data from all counties for research and analysis of election practices and trends at a statewide level.

(3) The secretary of state may convene a work group, including county auditors and other interested stakeholders to evaluate how county election data is collected and maintained and to develop and recommend ways for improving election data reporting.

(4) The statewide standards must be made public with ongoing analysis on whether counties are in compliance with current standards. [2016 c 134 § 1.]

29A.60.300 Statewide survey of voted ballot rejection rates and reasons for rejections—Secretary of state to conduct and publish. Every odd-numbered year, the secretary of state must conduct and publish a statewide survey of voted ballot rejection rates and the reasons for those rejections by county auditors and canvassing boards. The secretary of state must collect data from reconciliation reports and county auditors in order to compare county and statewide averages for rates of rejected ballots and reasons for those ballots being rejected. The data collected must include rejection rates and reasons for rejection of voted ballots for all elections. The survey must include an analysis of current practices by county auditors and canvassing boards in the acceptance and rejection of ballots, and include recommendations for improvements that minimize rejections in those practices, with a goal of statewide standardization where applicable. The results must also be analyzed and compared with available national data and recognized best practices. The secretary of state's recommendations and reports must be made available to the public. [2016 c 134 § 3.]

29A.64.011 Application—Requirements—Application of chapter. An officer of a political party or any person for whom votes were cast in a primary who did not qualify for the general election may file a written application for a recount of the votes or a portion of the votes cast at that primary for all persons for whom votes were cast for that office.

An officer of a political party or any person for whom votes were cast at any election may file a written application for a recount of the votes or a portion of the votes cast at that election for all candidates for election to that office.

Any group of five or more registered voters may file a written application for a recount of the votes or a portion of the votes cast upon any question or issue. They shall designate one of the members of the group as chair and shall indicate the voting residence of each member of the group.

An application for a recount of the votes cast for an office or on a ballot measure must be filed with the officer with whom filings are made for the jurisdiction.

An application for a recount must specify whether the recount will be done manually or by the vote tally system. A recount done by the vote tally system must use programming that recounts and reports only the office or ballot measure in question. The county shall also provide for a test of the logic and accuracy of that program.

An application for a recount must be filed within two business days after the county canvassing board or secretary of state has declared the official results of the primary or election for the office or issue for which the recount is requested.

This chapter applies to the recounting of votes cast by paper ballots and to the recounting of votes recorded on ballots counted by a vote tally system. [2011 c 349 § 23; 2004 c 271 § 177.]

Effective date—2011 c 349: See note following RCW 29A.04.255.

29A.64.021 Mandatory. (1) If the official canvass of all of the returns for any office at any primary or election reveals that the difference in the number of votes cast for a candidate apparently qualified for the general election ballot or elected to any office, and the number of votes cast for the closest apparently defeated opponent is less than two thousand votes and also less than one-half of one percent of the total number of votes cast for both candidates, the county canvassing board shall conduct a recount of all votes cast on that position.

(a) Whenever such a difference occurs in the number of votes cast for candidates for a position the declaration of candidacy for which was filed with the secretary of state, the secretary of state shall, within three business days of the day that the returns of the primary or election are first certified by the canvassing boards of those counties, direct those boards to recount all votes cast on the position.

(b)(i) For statewide elections, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less than one thousand votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(ii) For elections not included in (b)(i) of this subsection, if the difference in the number of votes cast for the apparent winner and the closest apparently defeated opponent is less

than one hundred fifty votes and also less than one-fourth of one percent of the total number of votes cast for both candidates, the votes shall be recounted manually or as provided in subsection (3) of this section.

(2) A mandatory recount shall be conducted in the manner provided by RCW 29A.64.030, 29A.64.041, and 29A.64.061. No cost of a mandatory recount may be charged to any candidate.

(3) The apparent winner and closest apparently defeated opponent for an office for which a manual recount is required under subsection (1)(b) of this section may select an alternative method of conducting the recount. To select such an alternative, the two candidates shall agree to the alternative in a signed, written statement filed with the election official for the office. The recount shall be conducted using the alternative method if: It is suited to the balloting system that was used for casting the votes for the office; it involves the use of a vote tallying system that is approved for use in this state by the secretary of state; and the vote tallying system is readily available in each county required to conduct the recount. If more than one balloting system was used in casting votes for the office, an alternative to a manual recount may be selected for each system. [2013 c 11 § 66; 2005 c 243 § 19; 2004 c 271 § 178.]

29A.64.030 Deposit of fees—Notice—Public proceeding. An application for a recount shall state the office or ballot measure for which a recount is requested, and whether the request is for all precincts or only a portion of the precincts in that jurisdiction. The person filing an application for a manual recount shall, at the same time, deposit with the county canvassing board or secretary of state, in cash or by certified check, a sum equal to twenty-five cents for each ballot cast in the jurisdiction or portion of the jurisdiction for which the recount is requested as security for the payment of any costs of conducting the recount. If the application is for a machine recount, the deposit must be equal to fifteen cents for each ballot. These charges shall be determined by the county canvassing board or boards under RCW 29A.64.081.

The county canvassing board shall determine the date, time, and place or places at which the recount will be conducted. Not less than one day before the date of the recount, the county auditor shall notify the applicant or affected parties and, if the recount involves an office, to any person for whom votes were cast for that office of the date, time, and place of the recount. Each person entitled to receive notice of the recount may attend, witness the recount, and be accompanied by counsel.

Proceedings of the canvassing board are public under chapter 42.30 RCW. (1) At the time and place established for a recount, the canvassing board or its duly authorized representatives, in the presence of all witnesses who may be in attendance, shall open the sealed containers containing the ballots to be recounted, and shall recount the votes for the offices or issues for which the recount has been ordered. Ballots shall be handled only by the members of the canvassing board or their duly authorized representatives.

The canvassing board shall not permit the tabulation of votes for any nomination, election, or issue other than the ones for which a recount was applied for or required.

(2) At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount.

(3) The recount may be observed by persons representing the candidates affected by the recount or the persons representing both sides of an issue that is being recounted. Witnesses shall be permitted to observe the ballots and the process of tabulating the votes, but they shall not be permitted to handle the ballots. The observers may not make a record of the names, addresses, or other information on the ballots, declarations, or lists of voters unless authorized by the superior court. The secretary of state or county auditor may limit the number of observers to not less than two on each side if, in his or her opinion, a greater number would cause undue delay or disruption of the recount process. [2011 c 10 § 63; 2004 c 271 § 179.]

Notice to registered poll voters—Elections by mail—2011 c 10: See note following RCW 29A.04.008.

29A.64.050 Partial recount requiring complete recount. When a partial recount of votes cast for an office or issue changes the result of the election, the canvassing board or the secretary of state, if the office or issue is being recounted at his or her direction, shall order a complete recount of all ballots cast for the office or issue for the jurisdiction in question.

This recount will be conducted in a manner consistent with RCW 29A.64.021. [2013 c 11 § 68; 2003 c 111 § 1605. Prior: 2001 c 225 § 7. Formerly RCW 29.64.035.]

29A.64.061 Amended abstracts. (1) Upon completion of the canvass of a recount, the canvassing board shall prepare and certify an amended abstract showing the votes cast in each precinct for which the recount was conducted. Copies of the amended abstracts must be transmitted to the same officers who received the abstract on which the recount was based.

(2) If the office or issue for which the recount was conducted was filed with the county auditor, the canvassing board shall file the amended abstract with the original results of that election or primary.

(3) If the office or issue for which a recount was conducted was filed with the secretary of state, the secretary of state shall canvass the amended abstracts and shall file an amended abstract with the original results of that election. The secretary of state may require that the amended abstracts be certified by each canvassing board on a uniform date.

(2020 Ed.)

(4) An amended abstract certified under this section supersedes any prior abstract of the results for the same offices or issues at the same primary or election. [2013 c 11 § 69; 2005 c 243 § 21; 2004 c 271 § 180.]

Finding, purpose—1991 c 90: "The legislature finds that it is in the public interest to determine the winner of close contests for elective offices as expeditiously and as accurately as possible. It is the purpose of this act to provide procedures which promote the prompt and accurate recounting of votes for elective offices and which provide closure to the recount process." [1991 c 90 § 1.]

29A.64.081 Expenses—Charges. (Effective until July 1, 2021.) The canvassing board shall determine the expenses for conducting a recount of votes.

The cost of the recount shall be deducted from the amount deposited by the applicant for the recount at the time of filing the request for the recount, and the balance shall be returned to the applicant. If the costs of the recount exceed the deposit, the applicant shall pay the difference. No charges may be deducted by the canvassing board from the deposit for a recount if the recount changes the result of the nomination or election for which the recount was ordered. [2004 c 271 § 181.]

29A.64.081 Expenses—Charges—Reimbursement by state. (Effective July 1, 2021.) The canvassing board shall determine the expenses for conducting a recount of votes.

(1) For a recount conducted under RCW 29A.64.011, the cost of the recount shall be deducted from the amount deposited by the applicant for the recount at the time of filing the request for the recount, and the balance shall be returned to the applicant. If the costs of the recount exceed the deposit, the applicant shall pay the difference. No charges may be deducted by the canvassing board from the deposit for a recount if the recount changes the result of the nomination or election for which the recount was ordered.

(2) For a recount conducted under RCW 29A.64.021, for an office where the candidates filed the declarations of candidacy with the secretary of state, any legislative office, and any congressional office, the county auditor shall file an expense claim for such costs with the secretary of state. The secretary of state shall include a budget request to the legislature during the next legislative session for sufficient funds for reimbursement of all costs of the recount and shall pay all properly executed and documented vouchers to the counties within thirty days of allotment of specifically appropriated funds for this purpose. The secretary of state shall promptly notify any county that submits an incomplete or inaccurate voucher for reimbursement under this section.

29A.64.090 Statewide measures—When mandatory—Cost at state expense—Statewide advisory votes of the people. When the official canvass of returns of any election reveals that the difference in the number of votes cast for the approval of a statewide measure and the number of votes cast for the rejection of such measure is less than two thousand votes and also less than one-half of one percent of the total number of votes cast on such measure, the secretary of state shall direct that a recount of all votes cast on such measure be made on such measure, in the manner provided by RCW 29A.64.041 and 29A.64.061, and the cost of such recount will be at state expense. This section does not apply to any statewide advisory vote of the people that was placed on the ballot pursuant to RCW 43.135.041 and the secretary of state shall not direct any recount for any statewide advisory vote of the people. same office, after deducting therefrom the illegal votes that may be shown to have been given to the other person.

(2) No election for a measure may be set aside on account of illegal votes, unless it appears that an amount of illegal votes has been given to the winning choice being contested, that, if taken from that winning choice, would reduce the number of legal votes for the winning choice below the number of votes given to the other choice, after deducting therefrom the illegal votes that may be shown to have been given to the other choice. Legislative finding—1973 c 122: "The legislature finds that the initiative process reserving to the people the power to propose bills, laws and to enact or reject the same at the polls, independent of the legislature, is finding increased popularity with citizens of our state. The exercise of this power concomitant with the power of the legislature requires coordination to avoid the duplication and confusion of laws. This legislation is enacted especially to facilitate the operation of the initiative process." [1973 c 122 § 1.]

Upon the filing of an initiative or referendum petition, the secretary of state shall proceed to verify and canvass the names of the legal voters on the petition. The verification and canvass of signatures on the petition may be observed by persons representing the advocates and opponents of the proposed measure so long as they make no record of the names, addresses, or other information on the petitions or related records during the verification process except upon the order of the superior court of Thurston county. The secretary of state may limit the number of observers to not less than two on each side, if in his or her opinion, a greater number would cause undue delay or disruption of the verification process. No petition will be rejected on the basis of any statistical method employed, and no petition will be accepted on the basis of any statistical method employed if such method indicates that the petition contains fewer than the requisite number of signatures of legal voters. If the secretary of state finds the same name signed to more than one petition, he or she shall reject all but the first such valid signature. For an initiative to the legislature, the secretary of state shall transmit a certified copy of the proposed measure to the legislature at the opening of its session and, as soon as the signatures on the petition have been verified and canvassed, the secretary of state shall send to the legislature a certificate of the facts relating to the filing, verification, and canvass of the petition. Such application and all proceedings had thereunder

shall take precedence over other cases and shall be speedily heard and determined.

The decision of the superior court granting or refusing to grant the writ of mandate or injunction may be reviewed by the supreme court within five days after the decision of the superior court, and if the supreme court decides that a writ of mandate or injunction, as the case may be, should issue, it shall issue the writ directed to the secretary of state; otherwise, it shall dismiss the proceedings. The clerk of the supreme court shall forthwith notify the secretary of state of the decision of the supreme court. [2003 c 111 § 1824. SECOND, The definitions set forth in RCW 44.05.020 apply throughout this plan, unless the context requires otherwise; and

THIRD, In every case the population of the congressional and legislative districts described by this plan has been ascertained on the basis of the total number of persons found inhabiting such areas as of April 1, 2010, in accordance with the 2010 federal decennial census data submitted pursuant to P.L. 94-171; and

FOURTH, Pursuant to the most recent certificate of entitlement from the Clerk of the United States House of Representatives as required by 2 U.S.C. Sec. 2a, the territory of the state shall be divided into ten congressional districts. 29A.84.270 Duplication of names—Conspiracy—Criminal and civil liability. 29A.84.280 Paid petition solicitors—Finding. The legislature finds that paying a worker, whose task it is to secure the signatures of voters on initiative or referendum petitions, on the basis of the number of signatures the worker secures on the petitions encourages the introduction of fraud in the signature gathering process. Such a form of payment may act as an incentive for the worker to encourage a person to sign a petition which the person is not qualified to sign or to sign a petition for a ballot measure even if the person has already signed a petition for the measure. Such payments also threaten the integrity of the initiative and referendum process by providing an incentive for misrepresenting the nature or effect of a ballot measure in securing petition signatures for the measure. 29A.92.005 Findings—Intent. The legislature finds that electoral systems that deny race, color, or language minority groups an equal opportunity to elect candidates of their choice are inconsistent with the right to free and equal elections as provided by Article I, section 19 and Article VI, section 1 of the Washington state Constitution as well as protections found in the Fourteenth and Fifteenth amendments to the United States Constitution. The well-established principle of "one person, one vote" and the prohibition on vote dilution have been consistently upheld in federal and state courts for more than fifty years.

The legislature also finds that local government subdivisions are often prohibited from addressing these challenges because of Washington laws that narrowly prescribe the methods by which they may elect members of their legislative bodies. The legislature finds that in some cases, this has resulted in an improper dilution of voting power for these minority groups. The legislature intends to modify existing prohibitions in state laws so that these jurisdictions may voluntarily adopt changes on their own, in collaboration with affected community members, to remedy potential electoral issues so that minority groups have an equal opportunity to elect candidates of their choice or influence the outcome of an election.

The legislature intends for this chapter to be consistent with federal protections that may provide a similar remedy for minority groups. Remedies shall also be available where the drawing of crossover and coalition districts is able to address both vote dilution and racial polarization.

The legislature also intends for this chapter to be consistent with legal precedent from *Mt. Spokane Skiing Corp. v. Spokane Co.* (86 Wn. App. 165, 1997) that found that non-charter counties need not adhere to a single uniform county system of government, but that each county have the same "authority available" in order to be deemed uniform. [2019 c 64 § 6; 2018 c 113 § 102.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise. In applying these definitions and other terms in this chapter, courts may rely on relevant federal case law for guidance.

(1) "At large election" means any of the following methods of electing members of the governing body of a political subdivision:

(a) One in which the voters of the entire jurisdiction elect the members to the governing body;

(b) One in which the candidates are required to reside within given areas of the jurisdiction and the voters of the entire jurisdiction elect the members to the governing body; or

(c) One that combines the criteria in (a) and (b) of this subsection or one that combines at large with district-based elections.

(2) "District-based elections" means a method of electing members to the governing body of a political subdivision in which the candidate must reside within an election district that is a divisible part of the political subdivision and is elected only by voters residing within that election district.

(3) "Polarized voting" means voting in which there is a difference, as defined in case law regarding enforcement of the federal voting rights act, 52 U.S.C. 10301 et seq., in the choice of candidates or other electoral choices that are preferred by voters in a protected class, and in the choice of candidates and electoral choices that are preferred by voters in the rest of the electorate.

(4) "Political subdivision" means any county, city, town, school district, fire protection district, port district, or public utility district, but does not include the state.

(5) "Protected class" means a class of voters who are members of a race, color, or language minority group, as this class is referenced and defined in the federal voting rights act, 52 U.S.C. 10301 et seq. [2018 c 113 § 103.]

29A.92.020 Method of election—Equal opportunity for protected class. As provided in RCW 29A.92.030, no method of electing the governing body of a political subdivision may be imposed or applied in a manner that impairs the ability of members of a protected class or classes to have an equal opportunity to elect candidates of their choice as a result of the dilution or abridgment of the rights of voters who are members of a protected class or classes. [2018 c 113 § 104.]

29A.92.030 Violations—Factors. (1) A political subdivision is in violation of this chapter when it is shown that:

(a) Elections in the political subdivision exhibit polarized voting; and

(b) Members of a protected class or classes do not have an equal opportunity to elect candidates of their choice as a result of the dilution or abridgment of the rights of members of that protected class or classes.

(2) The fact that members of a protected class are not geographically compact or concentrated to constitute a majority in a proposed or existing district-based election district shall not preclude a finding of a violation under this chapter, but may be a factor in determining a remedy. The equal opportunity to elect shall be assessed pragmatically, based on local election conditions, and may include crossover districts.

(3) In determining whether there is polarized voting under this chapter, the court shall analyze elections of the governing body of the political subdivision, ballot measure elections, elections in which at least one candidate is a member of a protected class, and other electoral choices that affect the rights and privileges of members of a protected class. Elections conducted prior to the filing of an action pursuant to this chapter are more probative to establish the existence of racially polarized voting than elections conducted after the filing of an action.

(4) The election of candidates who are members of a protected class and who were elected prior to the filing of an

action pursuant to this chapter shall not preclude a finding of polarized voting that results in an unequal opportunity for a protected class to elect candidates of their choice.

(5) Proof of intent on the part of the voters or elected officials to discriminate against a protected class is not required for a cause of action to be sustained.

(6) Other factors such as the history of discrimination, the use of electoral devices or other voting practices or procedures that may enhance the dilutive effects of at large elections, denial of access to those processes determining which groups of candidates will receive financial or other support in a given election, the extent to which members of a protected class bear the effects of past discrimination in areas such as education, employment, and health, which hinder their ability to participate effectively in the political process, and the use of overt or subtle racial appeals in political campaigns are probative, but not necessary factors, to establish a violation of this chapter. [2019 c 64 § 7; 2018 c 113 § 302.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.040 Voluntary change to electoral system—

Authorized. (1) A political subdivision that conducts an election pursuant to state, county, or local law, is authorized to change its electoral system, including, but not limited to, implementing a district-based election system, to remedy a potential violation of RCW 29A.92.020.

(2) If a political subdivision invokes its authority under this section to implement a district-based election system, the districts shall be drawn in a manner consistent with RCW 29A.92.050. [2018 c 113 § 201.]

29A.92.050 Voluntary change to electoral system—

Notice—New elections—Districting. (1)(a) Prior to the adoption of its proposed plan, the political subdivision must provide public notice to residents of the subdivision about the proposed remedy to a potential violation of RCW 29A.92.020. If a significant segment of the residents of the subdivision have limited English proficiency and speaks a language other than English, the political subdivision must:

(i) Provide accurate written and verbal notice of the proposed remedy in languages that diverse residents of the political subdivision can understand, as indicated by demographic data; and

(ii) Air radio or television public service announcements describing the proposed remedy broadcast in the languages that diverse residents of the political subdivision can understand, as indicated by demographic data.

(b) The political subdivision shall hold at least one public hearing on the proposed plan at least one week before adoption.

(c) For purposes of this section, "significant segment of the community" means five percent or more of residents, or five hundred or more residents, whichever is fewer, residing in the political subdivision.

(2)(a) If the political subdivision invokes its authority under RCW 29A.92.040 and the plan is adopted during the period of time between the first Tuesday after the first Monday of November and on or before January 15th of the following year, the political subdivision shall order new elections to occur at the next succeeding general election.

(b) If the political subdivision invokes its authority under RCW 29A.92.040 and the plan is adopted during the period of time between January 16th and on or before the first Monday of November, the next election will occur as scheduled and organized under the current electoral system, but the political subdivision shall order new elections to occur pursuant to the remedy at the general election the following calendar year.

(3) If a political subdivision implements a district-based election system under RCW 29A.92.040(2), the plan shall be consistent with the following criteria:

(a) Each district shall be as reasonably equal in population as possible to each and every other such district comprising the political subdivision.

(b) Each district shall be reasonably compact.

(c) Each district shall consist of geographically contiguous area.

(d) To the extent feasible, the district boundaries shall coincide with existing recognized natural boundaries and shall, to the extent possible, preserve existing communities of related and mutual interest.

(e) District boundaries may not be drawn or maintained in a manner that creates or perpetuates the dilution of the votes of the members of a protected class or classes.

(f) All positions on the governing body must stand for election at the next election for the governing body, scheduled pursuant to subsection (2) of this section. The governing body may subsequently choose to stagger the terms of its positions.

(4) Within forty-five days after receipt of federal decennial census information applicable to a specific local area, the commission established in RCW 44.05.030 shall forward the census information to each political subdivision.

(5) No later than eight months after its receipt of federal decennial census data, the governing body of the political subdivision that had previously invoked its authority under RCW 29A.92.040 to implement a district-based election system, or that was previously charged with redistricting under RCW 29A.92.110, shall prepare a plan for redistricting its districts, pursuant to RCW 29A.76.010, and in a manner consistent with this chapter. [2019 c 454 § 1; 2019 c 64 § 8; 2018 c 113 § 202.]

Reviser's note: This section was amended by 2019 c 64 § 8 and by 2019 c 454 § 1, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Retroactive application—2019 c 454: "This act applies retroactively to January 16, 2019." [2019 c 454 § 11.]

Effective date—2019 c 454: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 21, 2019]." [2019 c 454 § 13.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.060 Voter challenge of electoral system—

Notice. (1) A voter who resides in the political subdivision who intends to challenge a political subdivision's electoral system under this chapter shall first notify the political subdivision. The political subdivision shall promptly make such notice public.

(2) The notice provided shall identify and provide contact information for the person or persons who intend to file an action, and shall identify the protected class or classes whose members do not have an equal opportunity to elect candidates of their choice or an equal opportunity to influence the outcome of an election because of alleged vote dilution and polarized voting. The notice shall also include a type of remedy the person believes may address the alleged violation of RCW 29A.92.030. [2019 c 64 § 9; 2018 c 113 § 301.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.070 Voter challenge of electoral system—Good faith effort to remedy—Court approval—Safe harbor. (1) The political subdivision shall work in good faith with the person providing the notice to implement a remedy that provides the protected class or classes identified in the notice an equal opportunity to elect candidates of their choice. Such work in good faith to implement a remedy may include, but is not limited to consideration of: (a) Relevant electoral data; (b) relevant demographic data, including the most recent census data available; and (c) any other information that would be relevant to implementing a remedy.

(2) If the political subdivision adopts a remedy that takes the notice into account, or adopts the notice's proposed remedy, the political subdivision shall seek a court order acknowledging that the political subdivision's remedy complies with RCW 29A.92.020 and was prompted by a plausible violation. The person who submitted the notice may support or oppose such an order, and may obtain public records to do so. The political subdivision must provide all political, census, and demographic data and any analysis of that data used to develop the remedy in its filings seeking the court order and with any documents made public. All facts and reasonable inferences shall be viewed in the light most favorable to those opposing the political subdivision's proposed remedy at this stage. There shall be a rebuttable presumption that the court will decline to approve the political subdivision's proposed remedy at this stage.

(3) If the court concludes that the political subdivision's remedy complies with RCW 29A.92.020, an action under this chapter may not be brought against that political subdivision for four years by any party so long as the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this chapter.

(4) In agreeing to adopt the person's proposed remedy, the political subdivision may do so by stipulation, which shall become a public document. [2019 c 64 § 10; 2018 c 113 § 303.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.080 Voter challenge of electoral system—Filing of action—Multiple challenges. (1) Any voter who resides in the political subdivision may file an action under this chapter if, one hundred eighty days after a political subdivision receives notice of a challenge to its electoral system under RCW 29A.92.060, the political subdivision has not obtained a court order stating that it has adopted a remedy in compliance with RCW 29A.92.020. However, if notice is

received after July 1, 2021, then the political subdivision shall have ninety days to obtain a court order before an action may be filed.

(2) If a political subdivision has received two or more notices containing materially different proposed remedies, the political subdivision shall work in good faith with the persons to implement a remedy that provides the protected class or classes identified in the notices an equal opportunity to elect candidates of their choice. If the political subdivision adopts one of the remedies offered, or a different remedy that takes multiple notices into account, the political subdivision shall seek a court order acknowledging that the political subdivision's remedy is reasonably necessary to avoid a violation of RCW 29A.92.020. The persons who submitted the notice may support or oppose such an order, and may obtain public records to do so. The political subdivision must provide all political, census, and demographic data and any analysis of that data used to develop the remedy in its filings seeking the court order and with any documents made public. All facts and reasonable inferences shall be viewed in the light most favorable to those opposing the political subdivision's proposed remedy at this stage. There shall be a rebuttable presumption that the court will decline to approve the political subdivision's proposed remedy at this stage.

(3) If the court concludes that the political subdivision's remedy complies with RCW 29A.92.020, an action under this chapter may not be brought against that political subdivision for four years by any party so long as the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this chapter. [2019 c 64 § 11; 2018 c 113 § 304.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.090 Action in superior court—Venue—Joint action. (1) After exhaustion of the time period in RCW 29A.92.080, any voter who resides in a political subdivision where a violation of RCW 29A.92.020 is alleged may file an action in the superior court of the county in which the political subdivision is located. If the action is against a county, the action may be filed in the superior court of such county, or in the superior court of either of the two nearest judicial districts as determined pursuant to RCW 36.01.050(2). An action filed pursuant to this chapter does not need to be filed as a class action.

(2) Members of different protected classes may file an action jointly pursuant to this chapter if they demonstrate that the combined voting preferences of the multiple protected classes are polarized against the rest of the electorate. [2019 c 64 § 12; 2018 c 113 § 401.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.100 Trial schedule—Statute of limitations—Secrecy of vote—Plaintiff bond. (1) In an action filed pursuant to this chapter, the trial court shall set a trial to be held no later than one year after the filing of a complaint, and shall set a discovery and motions calendar accordingly.

(2) For purposes of any applicable statute of limitations, a cause of action under this chapter arises every time there is

an election for any members of the governing body of the political subdivision.

(3) The plaintiff's constitutional right to the secrecy of the plaintiff's vote is preserved and is not waived by the filing of an action pursuant to this chapter, and the filing is not subject to discovery or disclosure.

(4) In seeking a temporary restraining order or a preliminary injunction, a plaintiff shall not be required to post a bond or any other security in order to secure such equitable relief.

(5) No notice may be submitted to any political subdivision pursuant to this chapter before July 19, 2018. [2019 c 64 § 13; 2018 c 113 § 402.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.110 Court-ordered remedies—District-based remedies—New elections. (1) The court may order appropriate remedies including, but not limited to, the imposition of a district-based election system. The court may order the affected jurisdiction to draw or redraw district boundaries or appoint an individual or panel to draw or redraw district lines. The proposed districts must be approved by the court prior to their implementation.

(2) Implementation of a district-based remedy is not precluded by the fact that members of a protected class do not constitute a numerical majority within a proposed district-based election district. If, in tailoring a remedy, the court orders the implementation of a district-based election district where the members of the protected class are not a numerical majority, the court shall do so in a manner that provides the protected class an equal opportunity to elect candidates of their choice. The court may also approve a district-based election system that provides the protected class the opportunity to join in a coalition of two or more protected classes to elect candidates of their choice if there is demonstrated political cohesion among the protected classes.

(3) In tailoring a remedy after a finding of a violation of RCW 29A.92.020:

(a) If the court's order providing a remedy or approving proposed districts, whichever is later, is issued during the period of time between the first Tuesday after the first Monday of November and on or before January 15th of the following year, the court shall order new elections, conducted pursuant to the remedy, to occur at the next succeeding general election. If a special filing period is required, filings for that office shall be reopened for a period of three business days, such three-day period to be fixed by the filing officer.

(b) If the court's order providing a remedy or approving proposed districts, whichever is later, is issued during the period of time between January 16th and on or before the first Monday of November, the next election will occur as scheduled and organized under the current electoral system, but the court shall order new elections to occur pursuant to the remedy at the general election the following calendar year.

(c) The remedy may provide for the political subdivision to hold elections for the members of its governing body at the same time as regularly scheduled elections for statewide or federal offices. All positions on the governing body must stand for election at the next election for the governing body, scheduled pursuant to this subsection (3). The governing

(2020 Ed.)

body may subsequently choose to stagger the terms of its positions.

(4) Within thirty days of the conclusion of any action filed under RCW 29A.92.100, the political subdivision must publish on the subdivision's web site, the outcome and summary of the action, as well as the legal costs incurred by the subdivision. If the political subdivision does not have its own web site, then it may publish on the county web site. [2019 c 454 § 2; 2018 c 113 § 403.]

Retroactive application—Effective date—2019 c 454: See notes following RCW 29A.92.050.

29A.92.120 Safe harbor—Limitation of actions. (1) No action under this chapter may be brought by any person against a political subdivision that has adopted a remedy to its electoral system after an action is filed that is approved by a court pursuant to RCW 29A.92.070 or implemented a court-ordered remedy pursuant to RCW 29A.92.110 for four years after adoption of the remedy if the political subdivision does not enact a change to or deviation from the remedy during this four-year period that would otherwise give rise to an action under this chapter.

(2) No action under this chapter may be brought by any person against a political subdivision that has adopted a remedy to its electoral system in the previous decade before June 7, 2018, as a result of a claim under the federal voting rights act until after the political subdivision completes redistricting pursuant to RCW 29A.76.010 for the 2020 decennial census. [2019 c 64 § 14; 2018 c 113 § 404.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.130 Award of fees. (1) In any action to enforce this chapter, the court may allow the prevailing plaintiff or plaintiffs, other than the state or political subdivision thereof, reasonable attorneys' fees, all nonattorney fee costs as defined by RCW 4.84.010, and all reasonable expert witness fees. No fees or costs may be awarded if no action is filed.

(2) Prevailing defendants may recover an award of fees or costs pursuant to RCW 4.84.185. [2018 c 113 § 405.]

29A.92.700 Not applicable to certain political subdivisions. The provisions of RCW 29A.92.005 through 29A.92.030, 29A.92.060 through 29A.92.130, and 29A.92.900 are not applicable to cities and towns with populations under one thousand or to school districts with K-12 full-time equivalent enrollments of less than two hundred fifty. [2018 c 113 § 501.]

29A.92.710 Other laws superseded. This chapter supersedes other state laws and local ordinances to the extent that those state laws or ordinances would otherwise restrict a jurisdiction's ability to comply with this chapter. [2019 c 64 § 15; 2018 c 113 § 503.]

Explanatory statement—2019 c 64: See note following RCW 1.20.110.

29A.92.900 Short title. This chapter may be known and cited as the Washington voting rights act of 2018. [2019 c 64 § 16; 2018 c 113 § 101.]
